We are the products of our environment. The combined activities of each day comprise the total fabric of our lives. Every occurrence has some effect in the molding of our separate personalities. Each incident is of value as we gain knowledge needed to lead meaningful lives. As we grow and mature, we are. . .

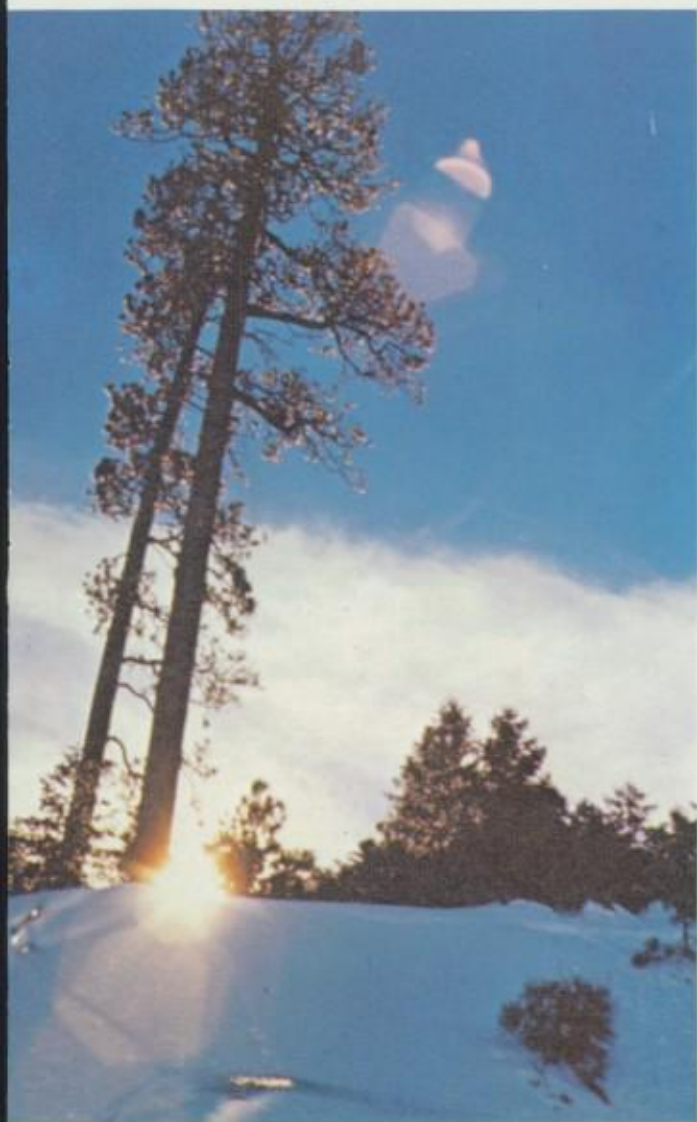

. . . Free To Experience

Searching for our place in the world, we are open to new ideas which lead us to consider concepts others may not accept. Each day brings new horizons, new challenges, new worlds to conquer. We face the future as

pioneers, going in directions never before imagined. Such experimentation involves risk; therefore it requires courage. As we continue to seek and discover, we are . . .

. . . Free To Explore

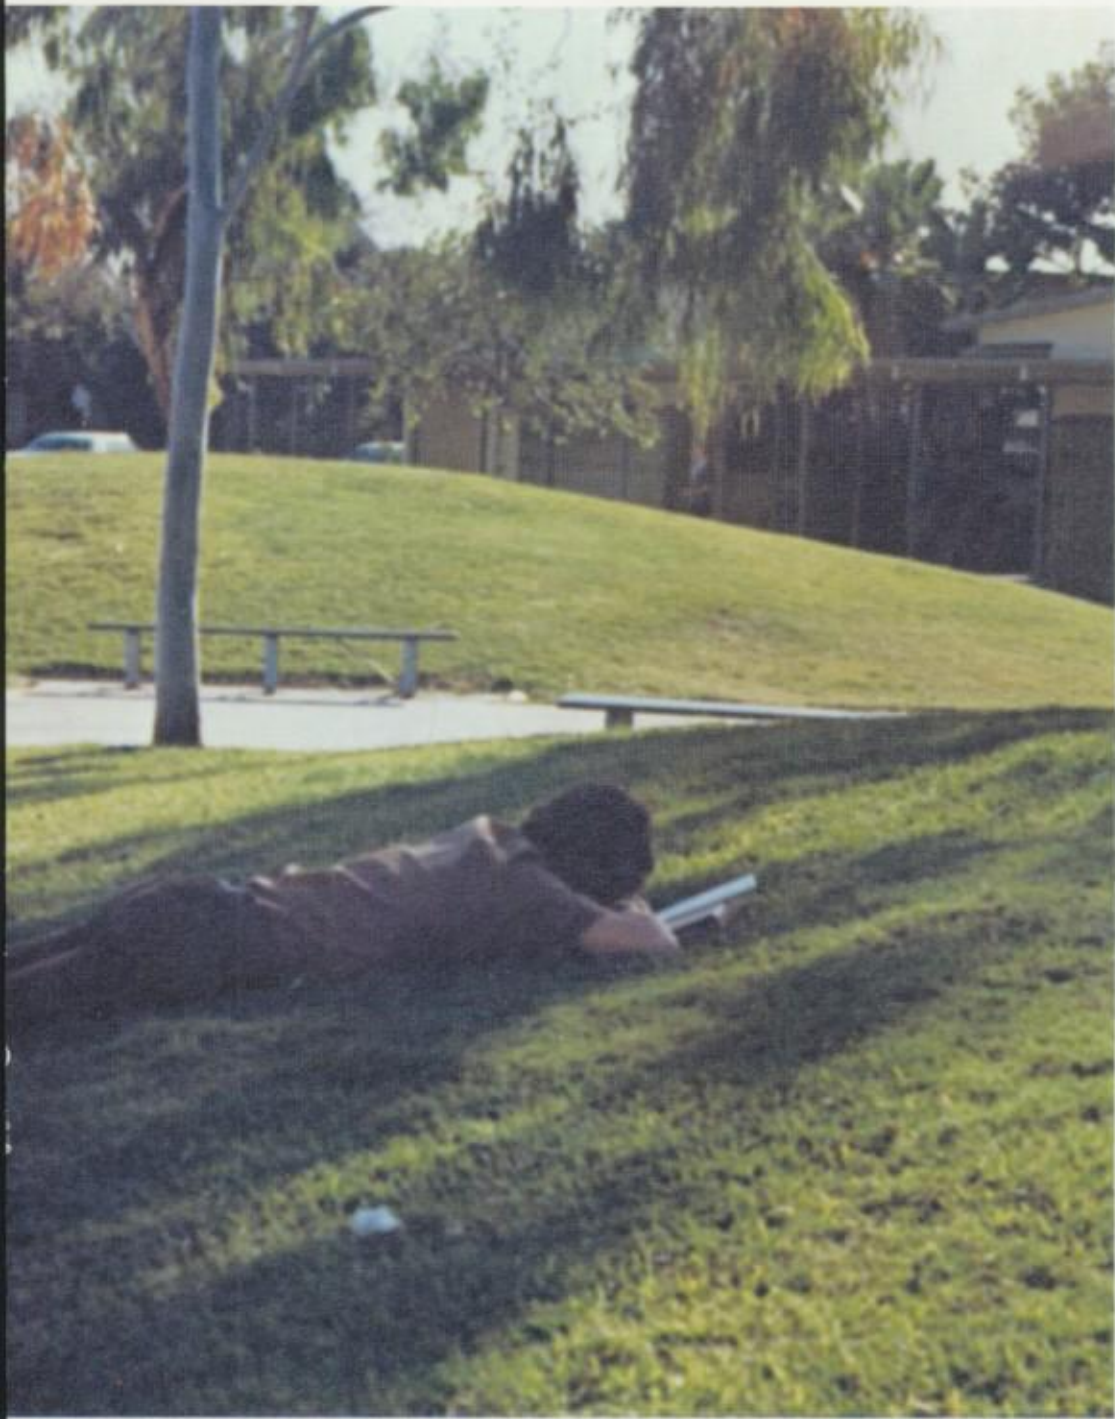

Each of us has hopes and plans for the future. Some are only fantasy, but others will become reality and change the course of our lives. Many have thoughts of fame and fortune, while others imagine a quiet, simple

life. Whatever our hopes, we must remember that nothing great was ever achieved without a vision to set it in motion. Success, happiness, fulfillment—these come to us because we are . . .

. . . Free To Dream

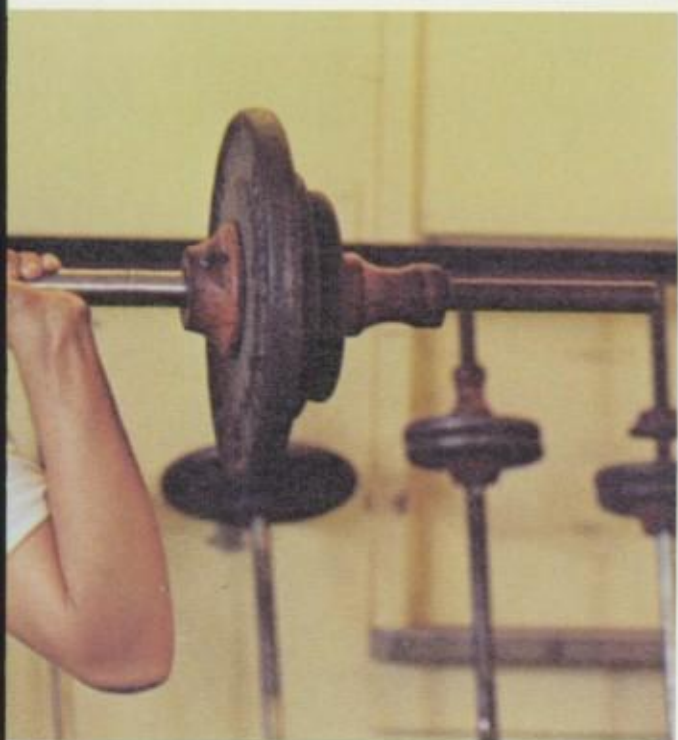

We are all born with a basic desire to achieve, constantly pushing ourselves to new limits, never accepting anything short of perfection. At times our struggles are for self-improvement, while other times we find our-

selves competing against other human beings. Any accomplishment, even though seemingly insignificant, is a victory. Then, we set new goals, glad that we are . . .

. . . Free To Strive

Our lives are an endless cycle of questions and answers. In our eternal search for knowledge and truth, the answer to one question may produce a new challenge. We will never accept the many wonders of our world with-

out questions. We are constantly searching, seeking, doubting—never accepting information without curiosity. Always continuing our search for answers, we are . . .

... Free To Inquire

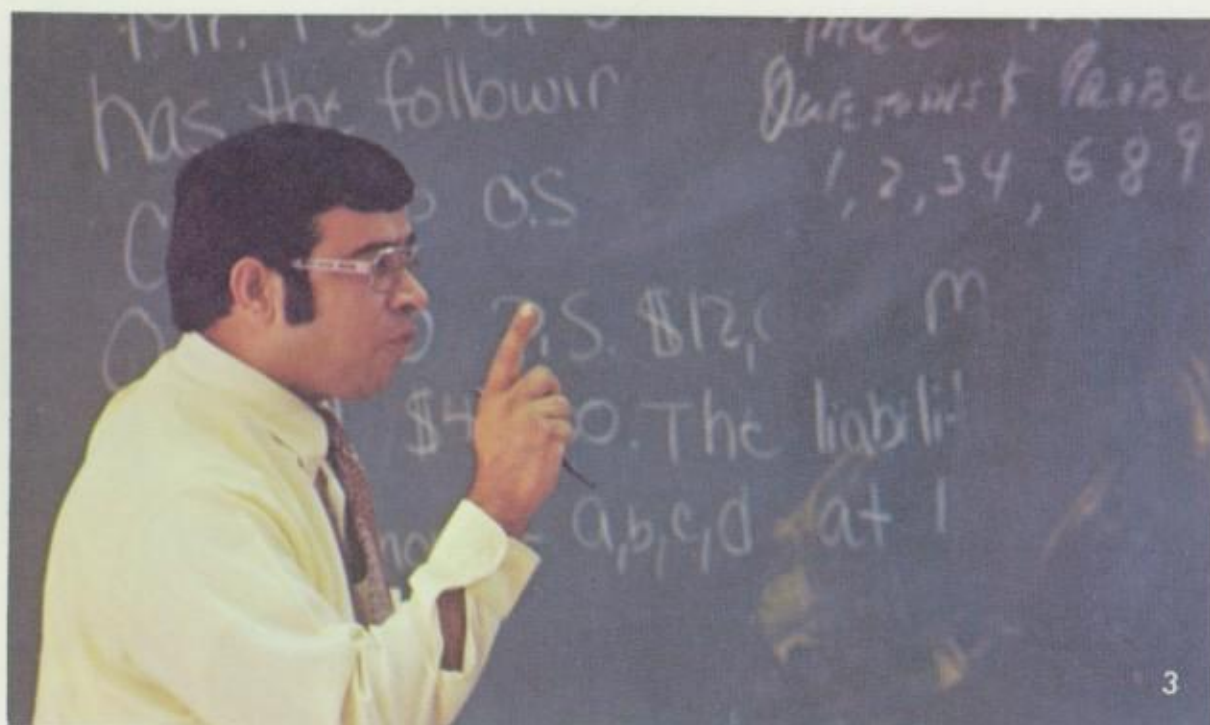

With the unlimited potential each of us possesses, the future holds the promise of greatness. Every person, free to develop in his own natural way, will become all that he is capable of becoming. We are all individuals, with the desire to blaze new trails. We are all unique, with the innate strength to stand up for what is right. We are all free to choose the person we want to become. We are all, simply . . .

Shashi Trikha Means Happiness

Patience, understanding, compassion, and the ability to make students want to learn—these are just a few qualities that a teacher should display.

Because he possesses these and many other important qualities, the Los Coyotes staff proudly dedicates the Los Coyotes 1977 to Mr. Shashi Trikha.

Since coming to BP in 1971, Mr. Trikha has been an important part of our campus, involved in numerous aspects of school life and many different projects.

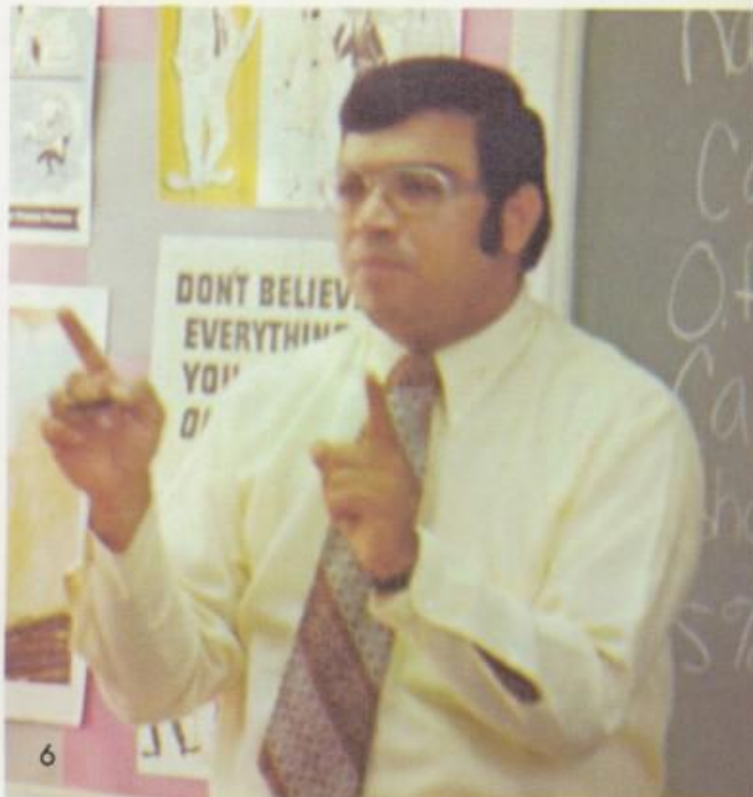

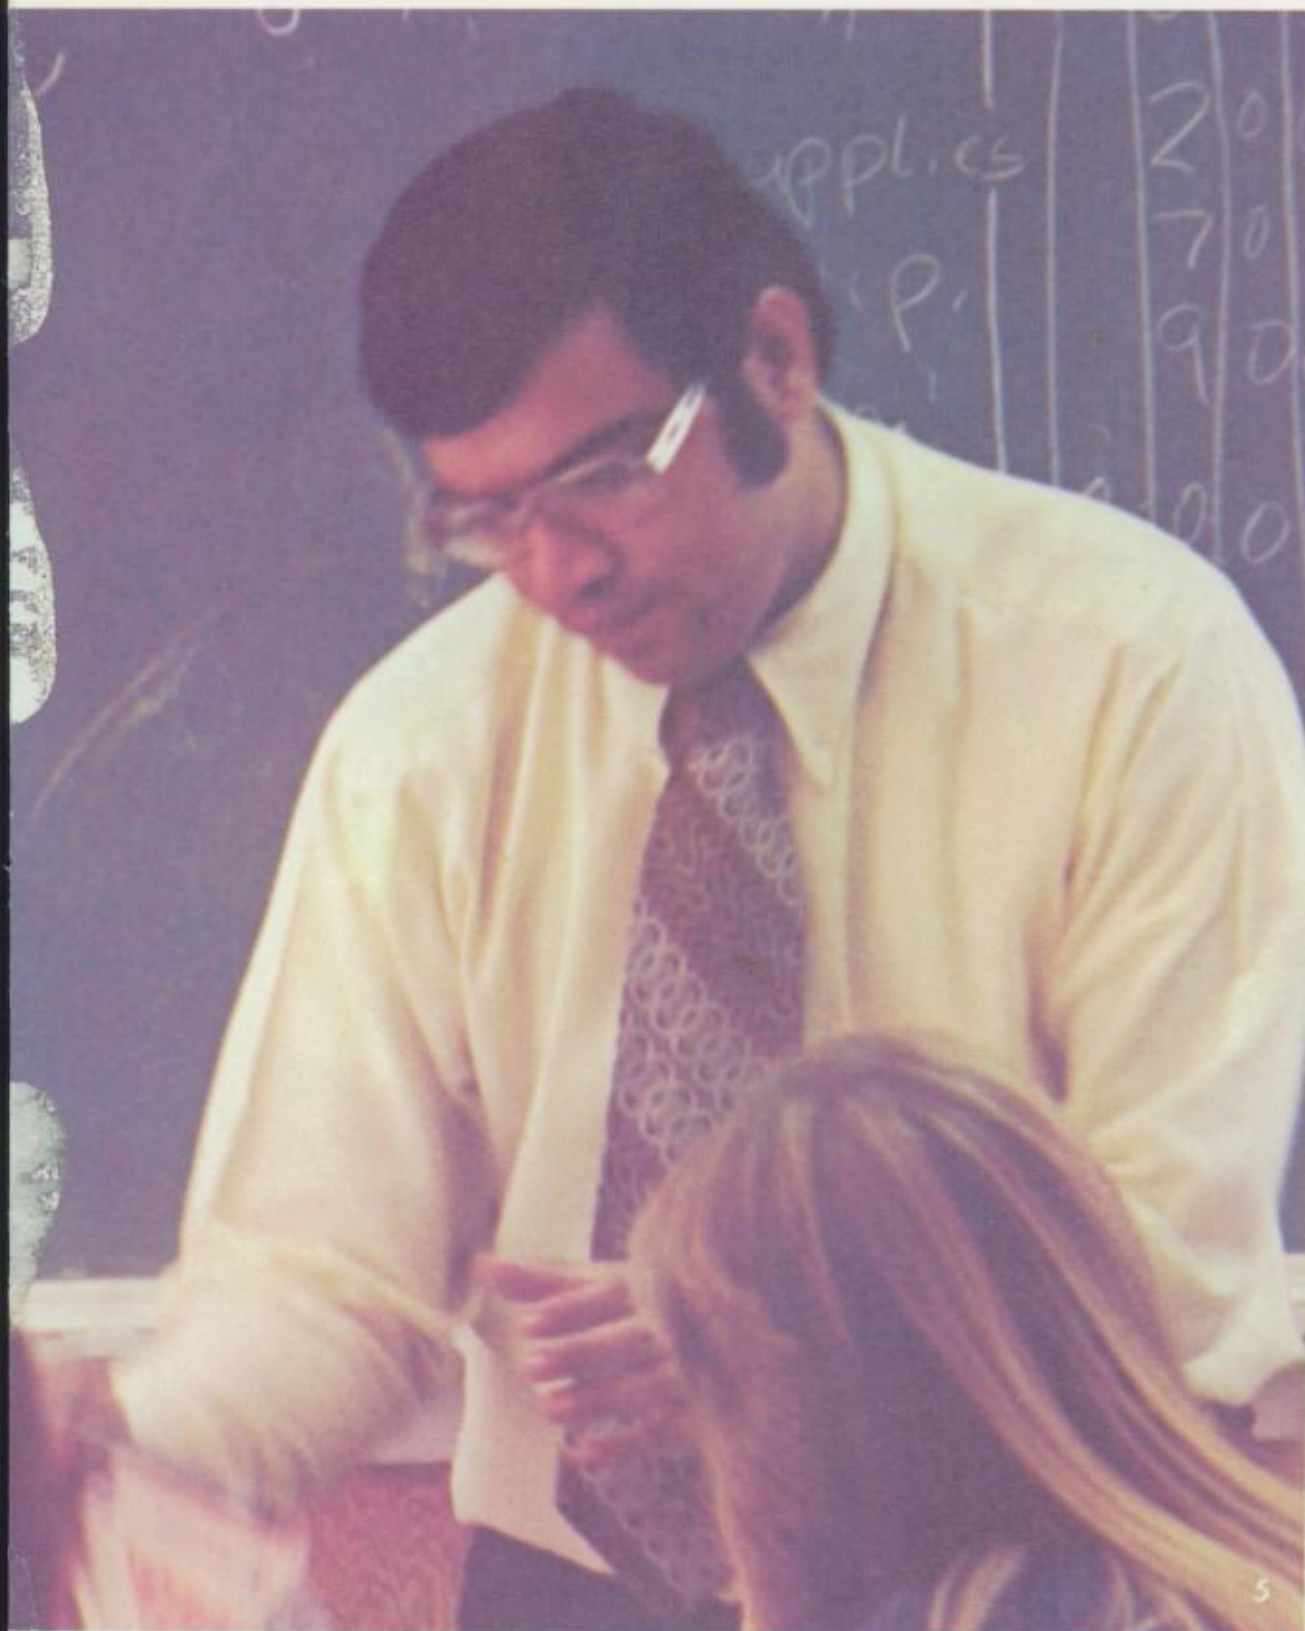

He can always be seen at sporting events, dances, and other programs, either taking or selling tickets, selling refreshments or football programs, chaperoning, or just enjoying himself.

He is perhaps best known for his involvement in the CSF canned food drive each year. Showing an enormous concern for his fellow human beings, he and his students have collected record-breaking amounts of canned foods which were then donated to needy families.

As a Junior class adviser for four years, he has put much work into making each Prom better than the last. He can always be counted on for new ideas, and whenever there is a car wash, bake sale, or other fundraising event, he is always there, helping the students and having a good time.

In the classroom Mr. Trikha makes each day a valuable, interesting, and enjoyable experience.

Always willing to help students with personal or scholastic problems, he is acknowledged as a sensitive, concerned teacher who makes BP a better, happier place.

September: A New Beginning

The 1976-77 school year began on September 13, 1976, with the student body gathered in Spaulding Stadium for the annual Opening Day Assembly. There, old friends were united, while everyone extended a large welcome to the Freshmen. Student body leaders were introduced, class presidents expressed their optimism for the coming year, and members of the Pep Squad promoted school spirit with routines and chants.

The Freshmen Class Orientation program further introduced the Class of '80 to B.P. The ASB Officers entertained the Freshmen with amusing skits explaining school traditions and restrictions.

At the Howdy Dance, new and old students relaxed and really got to know each other, while listening to music by Marz.

After many different experiences, the first two weeks of school came to a close. The month of September brought new classes, new friends, and new challenges. It was the time of a new beginning.

Homecoming '76

The crowd of students filled the stadium at the Homecoming Assembly. Soon the names of the Queen and her Court would be known to all. One by one the attendants were named, four of whom were Seniors and were eligible for the title of Homecoming Queen. But which one?

Tension filled the air as the moment arrived. The envelope was opened. Cries of joy and happiness were heard everywhere. The name of the Homecoming Queen had been announced.

In the days that followed, the Queen and her Court experienced some of the happiest days of their lives. During half time of the Homecoming football game the girls were presented to the crowd. After being driven onto the field in antique cars, they were escorted to a platform by their fathers.

The dance was a special one, with everyone looking their best. The theme, "It's Only the Beginning," set the mood for a very memorable dance as Homecoming '76 came to a close.

Play Satirizes Social Flaws

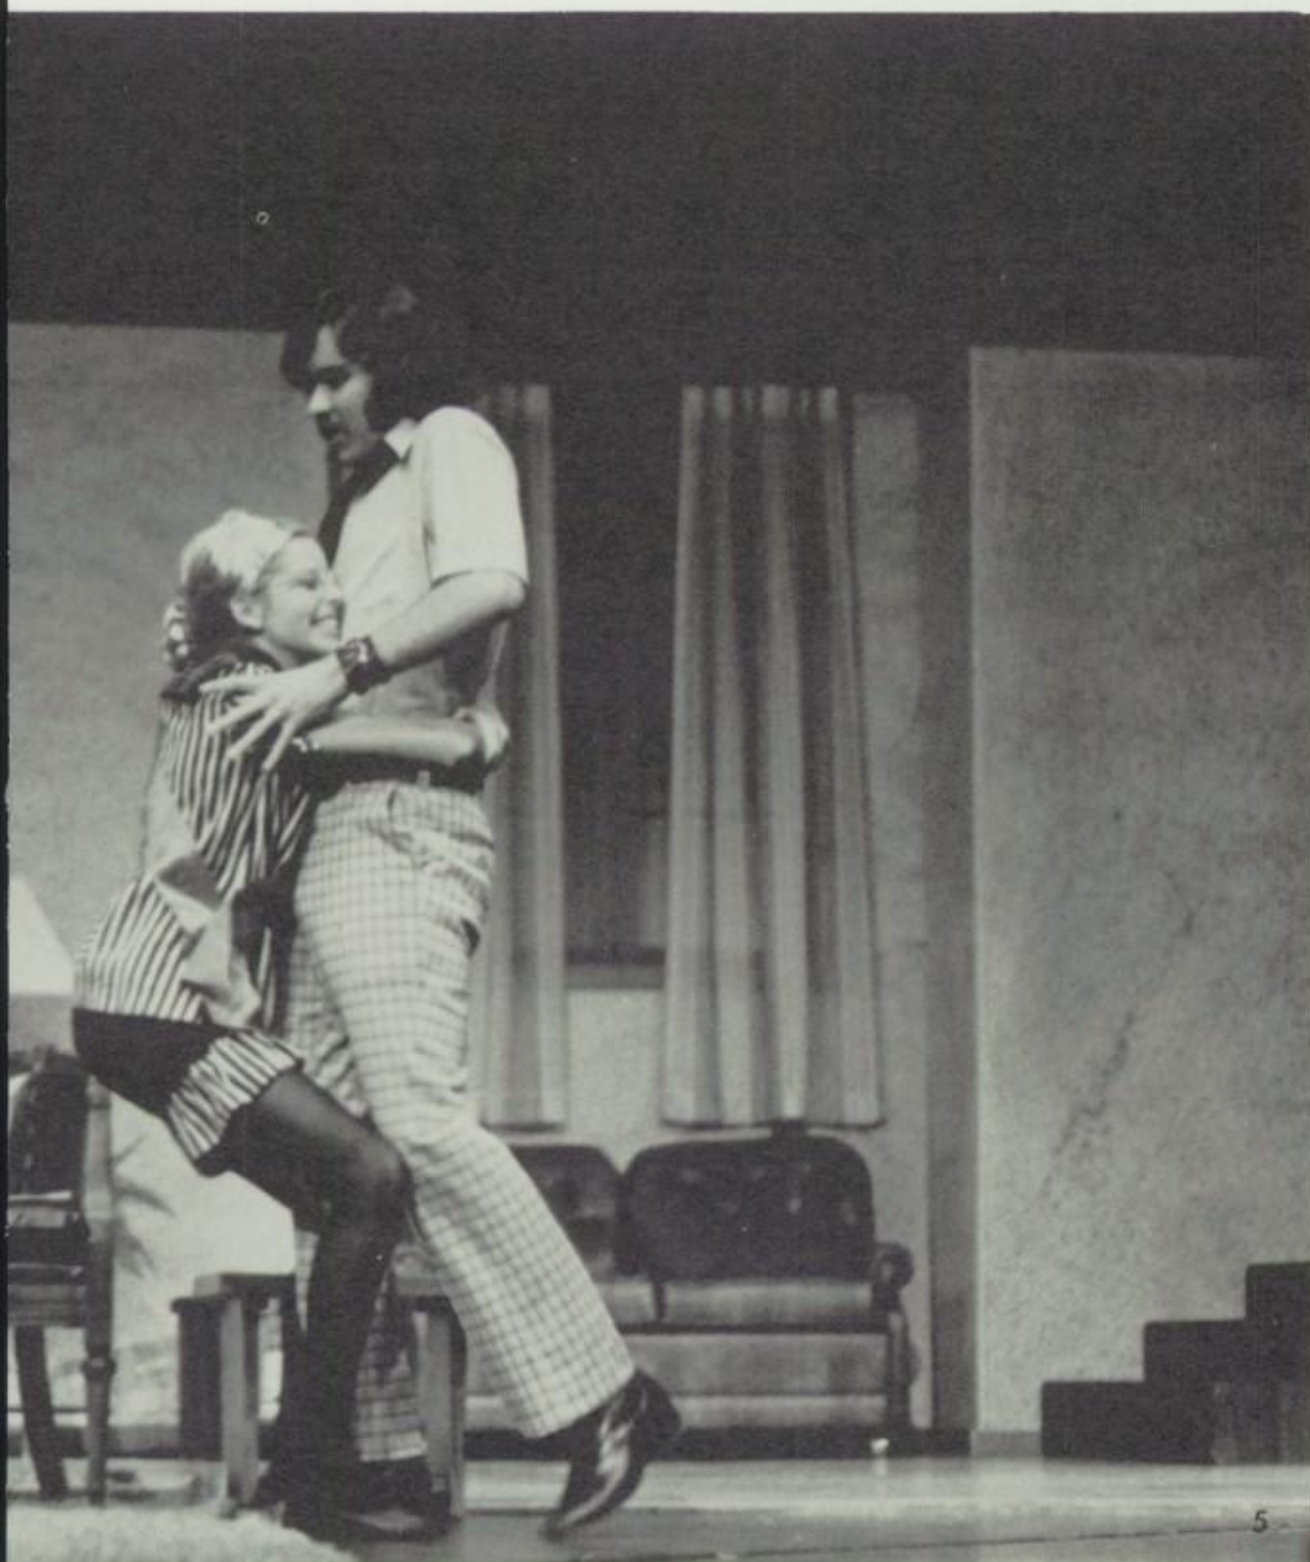

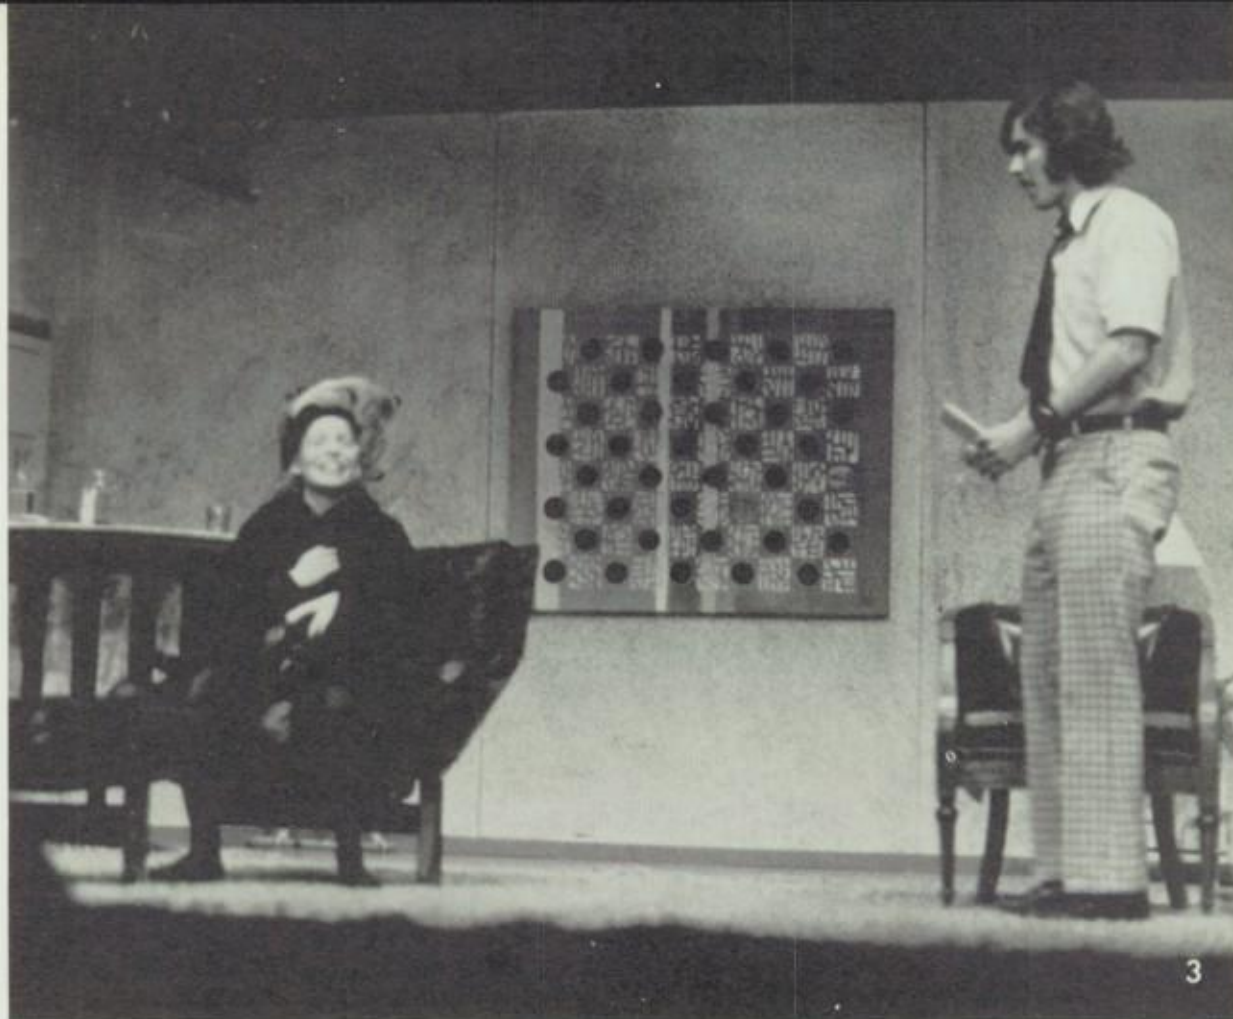

"Meanwhile, Back on the Couch," the Drama Department's fall production for the 1976-1977 school year, was presented on December 9, 10, 11, in the Performing Arts Complex.

The action, set in contemporary America, centers around psychiatrist Victor Karleen played by Senior Brad Rieman, who mistakenly allows his confidential notes on a client to be published as the beginning half of an adult novel.

Other leading characters in this farce-comedy were Alisa Mealer and Karen Andreason who shared the role of Gabrielle Wingate, Gogi Quirring and Cathy Bannan who were double-cast as Charlotte Hennebon, and Keith Dillon who portrayed Albert Brock.

Drama Department Director and Advisor Mr. Charles Fein said, "'Meanwhile, Back on the Couch' is a funny satire on contemporary social problems especially commenting on how difficult it is for individuals to preserve their integrity and avoid hypocrisy and the use of deceit."

1. Psychiatrist Victor Karleen, played by Brad Rieman, takes notes on his patient's dreams.

"Ski Fever" Strikes BP

In past years, the C.S.F. Club has sponsored the annual Christmas Formal. This year the club decided to change the dance to an informal and give it the theme "Ski Fever." They also changed it to a "girl-date" dance.

The C.S.F. Club spent long hours decorating the gym and working out the last-minute details of the dance. Couples arrived dressed in ski clothes and enjoyed the music of "Bump" while dancing in a winter wonderland atmosphere.

This magical evening was highlighted by the crowning of the Christmas Queen, Sandy Johnson and her Court.

Students Capture Holiday Spirit

This year, BP's fine arts department came together to produce an hour-long Christmas program. Songs of Christmas cheer were sung by the choral groups. The drama department staged some excellent scenes which captured the Christmas spirit.

Members of the Modern Dance class performed while the band played musical selections. The Performing Arts Complex was decorated with creations made by the Art classes. The 1976 Christmas program showed the talent and Christmas spirit of the students at BP.

Juniors Win '77 Pep Week

January 24-28 was 1977's official Pep Week. This year awards were presented in nine categories. The "M*A*S*H* 1977" Seniors showed fine spirit during their final Pep Week, taking two awards. M*A*S*H* props used by the Seniors included two U.S. Army trucks and an authentic U.S. Army base tent which was set up on the Quad.

"'78 is Out of this World" was the theme chosen by the Juniors. Reflecting their determination and spirit, the Juniors took eight awards, including the coveted Pep Week Spirit Award.

This year's Sophomores exhibited their creativity with the theme, "Spirit Roundup '79," and the Freshmen showed enthusiasm and imagination with "The Racing '80's." Although the Sophomores and Freshmen took no awards this time, they gained valuable experience and insight toward future Pep Weeks.

Masquerade Ball Full Of Fantasy

Although it seemed like Halloween in February, it was actually BP's first Masquerade Ball. This dance, sponsored by the Leadership class, had four different themes.

In "Storybook Land," a fairy princess and Alice in Wonderland were among the characters to be found wandering along. "Frontier Land" was full of can-can girls, cowboys and Indians. Draculas and other mysterious creatures were in "Transylvania," and Groucho Marx, Lawrence of Arabia and showgirls were found in "Movieland."

Music was provided by Marz, a five man band.

From the time the curtain opened, the audience was entertained with the high-quality talent of teachers and students.

The band that provided music for the dance was the "Randall Parr Show." Many different activities took place during the dance such as the "Three-Legged Race" and Bobbing For Apples. The traditional "Hitchin Post" was the highlight of the evening when Justice of the Peace Henry Franklin married the couples.

The Junior-Senior Prom was the most long-awaited event of the year. The '77 Prom was held at Lion Country Safari Amusement Park. The theme was "Midnight at the Oasis" to go along with the tropical, African setting of the park.

Music at the dance was supplied by the five piece band "Titanic". Students at the Prom enjoyed dancing, boat and train rides during the four-hour event.

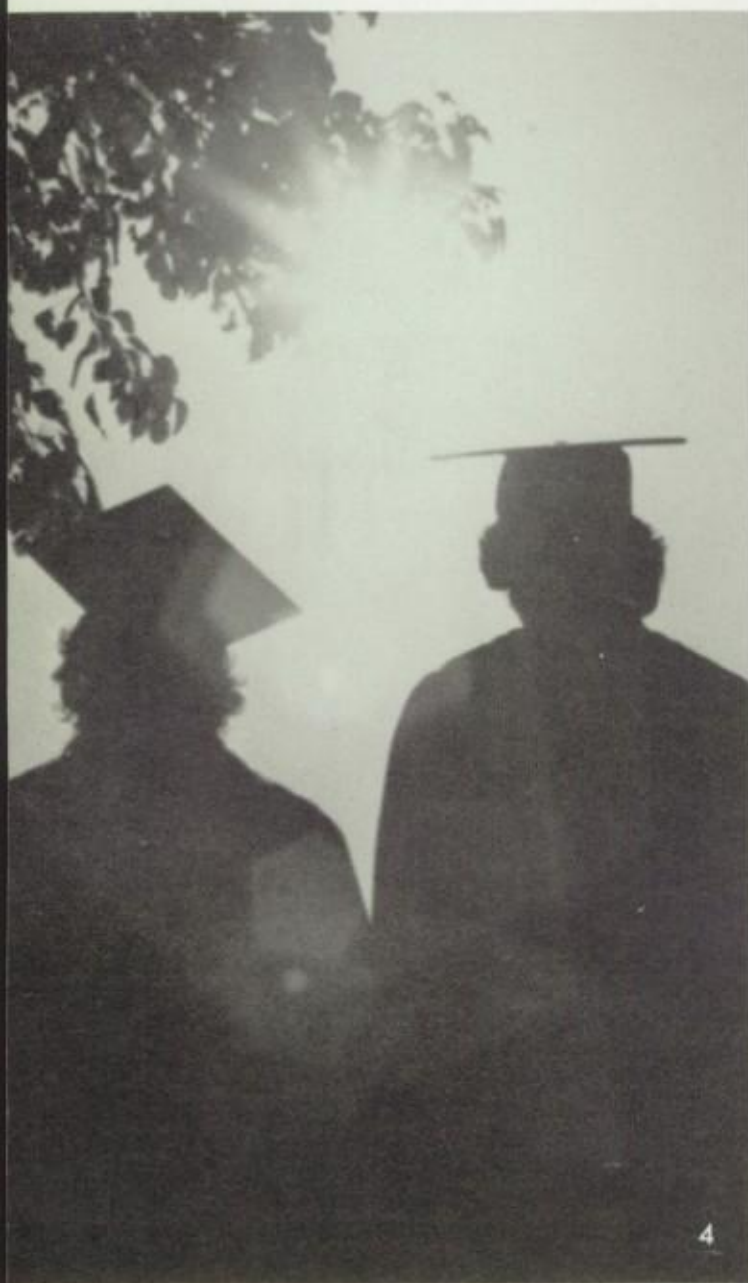

Through the evening, dressed in tuxedos and gowns, students absorbed memories to last a lifetime.

A Conclusion, A Beginning

High School is certainly a time of being, but in a larger sense it is also a time of preparing. The sort of person a student chooses to become is decided largely during his four years of high school. Regulations, guidelines, and restrictions may limit him, but ultimately he decides his own course. By the time a student reaches the end of his senior year he has chosen a direction for his life.

Graduation represents a culmination of those experiences; it is a conclusion, yet it is a time of commencement, of beginning.

Clubs Experience Productive Year

One of B.P.'s most talented organizations this year was the band. Through various fund-raising activities, band members were able to pay for trophies which were presented at the band's annual Awards Banquet.

A new organization on campus, created to assist foreign students in adapting to American ways of life, was the International Club. President Salwa Saad was pleased with the club's first year. "We all hope it will become even more active in the years to come," she said.

The 1976-77 Concert Choir held numerous sales and car washes this year to help finance the club's activities. One of their main projects was the sale of merchandise coupon books in the fall.

FFA Enjoys New Facilities

FFA moved into the modern age this year with the building of new facilities valued at over \$185,000. The buildings will be able to accommodate over 100 animals in a modern sanitary environment.

Students attended the Great Western Fair and L. A. County Fair and won numerous awards.

Besides mastering the proper techniques of agricultural production, students received leadership training and learned to accept responsibility for important jobs.

Many club members raised animals profitably this year, demonstrating that in FFA a student can earn while he learns.

Clubs Spark School Spirit

The Girls Athletic Association, made up of girls from sports and Modern Dance, played an important role in school spirit this year. GAA sponsored the Sadie Hawkins Dance and held a GAA playnight in October. The club raised money with car washes and bake sales.

The Lettermen's Club earned money to purchase sports equipment. The goal of the club was to raise as much money as possible for the school in order to upgrade sports programs. Boys from all sports were involved in these fund-raising events.

Promoting spirit on campus was the job of the Pep Club, who sponsored the Homecoming Dance this year. With the money from fund-raising activities the club bought the Homecoming decorations. Pep Club also inspired spirit by cheering on B.P. athletic teams.

Students Seek Culture, Careers

Language Club brought a new dimension to foreign language. Cultural experiences the club held this year brought meaning to the languages the members studied. To raise money for these events the club worked hard washing cars and selling baked goods.

With the support of the Buena Park Rotary Club, Interact helped less fortunate people by getting involved in community projects. By bringing in experts on careers, club members became prepared for the future. Money raised from a Silverado Days booth was used to sponsor the famous Fifties Dance.

The Radio Electronics Club is designed for students who enjoy preparing or constructing electronics projects. During the year club members built such things as radios and strobe lights for their own use.

"Meanwhile, Back on the Couch . . ." the fall production, started a busy year for the Drama Club. Under the guidance of Mr. Charles A. Fein, the organization also produced an outstanding play in the spring, and sponsored the highly-popular variety show which involves both students and faculty.

With representatives from all clubs on campus the Inter-Organizational Council has, as its primary activity of the year, Club Week in the spring. The week included a myriad of activities designed to raise school spirit and heighten interest in all school functions.

Journalists Use Creativity, Talent

Deadlines . . . panic . . . satisfaction—these were the characteristics of the 76-77 Los Coyotes and Paw Prints staffs.

Led by Editor-in-chief Kathy Larkin, the students in Publications spent long hours perfecting layouts and copy for the finished yearbook. The staff used the journalist's guaranteed "freedom of expression" to develop their chosen theme, "Free to Be."

Paw Prints Editor-in-chief Dennis Snyder provided the necessary leadership for the professional production of 16 issues of the school newspaper. A capable staff of 17 applied their combined creativity and journalistic talents to the often-demanding job.

ASB Cabinet Leads School

The Associated Student Body Cabinet dedicated a lot of its time and effort throughout the year to the organizing of school activities.

The ASB Cabinet's work started in the summer with tasting parties, bake sales, car washes, and participation in BANG (Be American, Nothing's Greater).

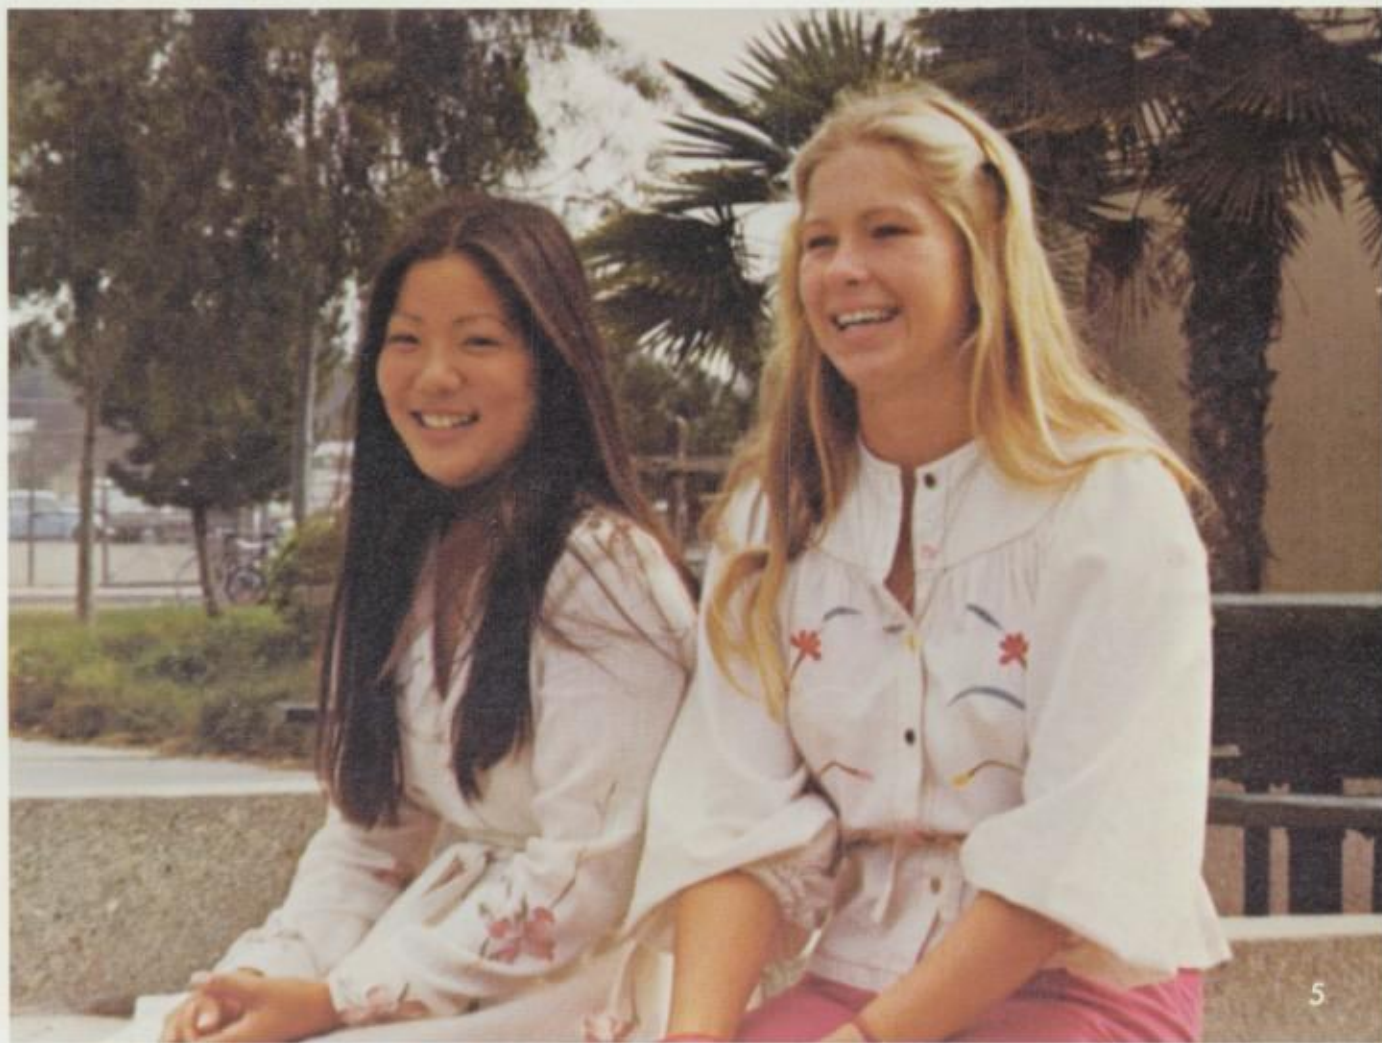

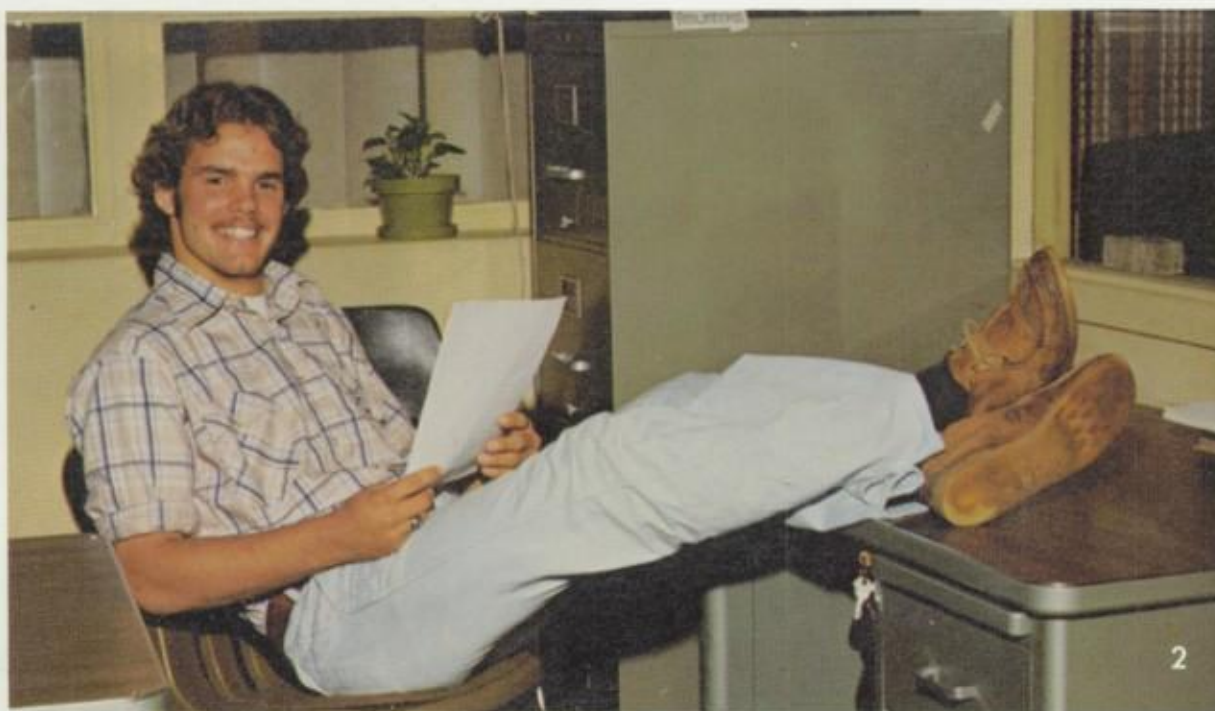

During the school year they organized freshman orientation, dances, student council and all elections.

They also publicized BP's many achievements to the community, searched for new and exciting assemblies, and allocated funds for next year.

At Christmas they sponsored the toy drive to provide toys for children whose parents could not afford them.

"One of our main goals was to make this an exciting, enjoyable and eventful year," said ASB President Debbie Sue.

Members Enjoy Dynamic Year

ASB Cabinet members are students too. Throughout their years at Buena Park they have engaged in many activities; not just in government, but in sports and other school programs. Many of them also have jobs in addition to their involvement in extra-curricular activities.

The members all have classes to attend and homework, plus their responsibilities on the ASB Cabinet.

With the responsibility of planning Freshmen Orientation, the Howdy Dance, the Christmas Toy Drive, assemblies, Convention '77, and many other activities, the 1976-77 school year was event-filled for the ASB Cabinet.

"I hope it was an enjoyable year," said Leadership Advisor, Shirley Gatling, "and still an experience to remember."

Student Leaders Judge, Govern

There are many different traditions at BP, and it is the Student Court's job to decide the "punishment" for anybody who may go against these traditions.

The Student Court started the school year out by enforcing the laws of senior parking. They were busy handing out citations to those cars without senior parking permits.

Student Congress is comprised of one student out of each second period class. The purpose of Student Congress is to give the student body a chance to voice their opinions.

During the school year, they have revised the constitution and passed new bylaws.

A Beginning Not An End

"It was the best of times; it was the worst of times"—the class of '77's senior year. After 26 long semesters, 52 report cards and 17 Excedrin headaches, 407 graduates breathed a sigh of relief as 13 years of elementary, intermediate and high school life came to a close.

During the year, president Scott Collier, his fellow officers and a core of dedicated seniors were involved in many activities. For example, they added \$806.00 to their treasury from the gold fish booth at Silverado Days.

Class funds were applied to many worthwhile projects and activities, including the financing of the all-color Senior section in the 1977 Los Coyotes.

The Senior Cabinet sponsored one of the year's most unique projects: silk-screened designs for T-shirts. Class advisor, Mr. Rock Newcomb, provided the needed leadership in this exciting new concept.

There was so much more, but it's all over now. The empty halls they leave behind echo with the words, "Goodbye, Seniors; you'll be missed, not forgotten!"

The Way We Were

Many individuals joined together to form the class of '77. They started new friendships, worked with different people, found new leaders, and most of all, established an identity.

The 1973-74 school year, led by president Tim Weidenkeller, was a time of new explorations.

January brought their first experience with Pep Week. The theme, "Success is 77," portrayed their hope for future successful years at Buena Park High School.

President Carol O'Connor helped make their Sophomore year a dynamic one. Through the year they held bake sales, pickle sales, car washes, and other activities which raised money and helped to unite the class.

Their Sophomore Pep Week theme, "Skyway to Heaven with '77," holds both pleasant and disappointing memories. Their plan to have a hot air balloon take off from Coyote Plaza was terminated just before take-off time.

"Now as we look back, our Freshmen and Sophomore years seem like building blocks for our further years at Buena Park as upperclassmen." reminisces Carol O'Connor.

A Time To Remember

Hello and good-bye with four years sandwiched in between—that's how it seemed to the Class of '77. Even though the times dashed by, there were many moments that won't be forgotten.

Soon after the start of their Junior year, members of the class of '77 received their long-awaited class rings. These rings will be cherished by them as a memory of their high school days.

During Homecoming Week, the Juniors decorated the main hall each day and were presented with a trophy for the best Homecoming Decorations. They also won the Homecoming pep rally.

To celebrate BP's 20th birthday the Juniors chose as their Pep Week theme, "You're not Getting Older, You're Getting Better." After a fine performance, the class of '77 was unrecognized at the time of the awards presentation.

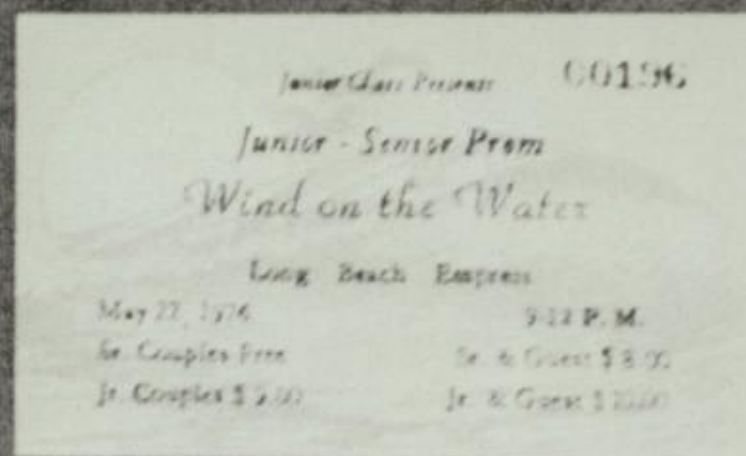

In May the ASB Elections were held. For the Class of '77 this was "the beginning of the end," as Juniors were elected to the positions of leadership they would hold as Seniors.

Also in May, the Juniors presented their prom. Held aboard the Long Beach Empress, which cruised Long Beach Harbor, the theme was "Wind On The Water."

According to Mr. Shashi Trikha, their Junior class advisor, "The Class of '77 gave the best prom in the history of our school."

The prom set attendance records and was also the most expensive, costing the class approximately \$2100.

The Class of '77 had come too far to leave it all behind. So, they kept their memories and began new ones as Seniors.

2. May 5, 1976: Luis Lavarreda, a candidate for ASB President, delivers his campaign speech at the convention.

5. January 21, 1976: The Juniors remember the "good old days," as they sing the Alma Mater during Pep Week.
6. October 15, 1975: Class rings are finally delivered to anxious Juniors.

Free To Dream

Juniors Create New Excitement

Since entering high school three short years ago, the Class of '78 has brought a new spirit of excitement to BP through its involvement in many activities.

Planning for the Junior-Senior Prom started early with car washes during the summer and the sales of Homecoming mums, football programs, Santagrams, and Valentine grams.

During Pep Week the Class' spirit and enthusiasm won them the Pep Week Spirit Award.

President Scott Forbes said, "This has been a productive year for our class. I think we helped make the high school a more interesting place and now we're all looking forward to our final two semesters."

With leadership, energy, and experience the Class of '78 can look back with satisfaction and ahead with confidence.

Sophomores Grow With Spirit, Pride

"It's a brand new awakening for us," said an enthusiastic Sophomore President Mike Merle. "We're really getting into the swing of things at B.P."

Aside from the usual school responsibilities, the class of '79 showed community involvement by organizing a charitable fund-raising drive.

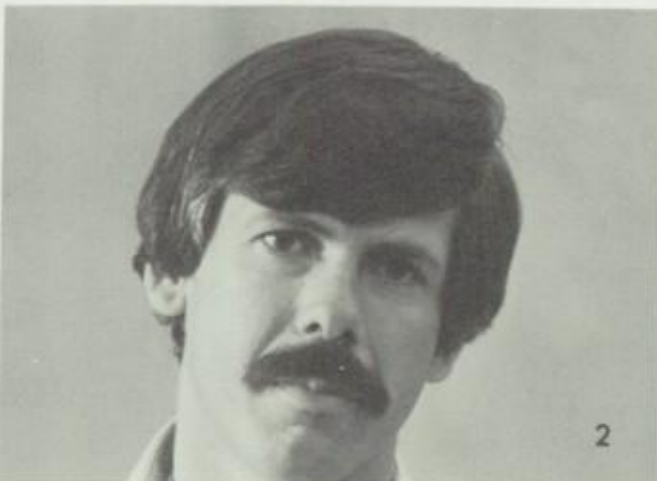

The Sophomore Cabinet worked hard over the summer and through the '76-'77 school year to organize and carry through many successful class events.

The Sophomores continually set and achieved goals throughout the year which grew out of their desire to make BP a school of which they can be proud.

Their spirit and pride will be a contributing factor to the unity of BPHS in the future.

Frosh Display Fresh Outlook

"The Class of '80 is an eager one," observed Freshman Class President Catherine Medina. "Eager to learn and eager to fulfill dreams. Our dreams are for a class with unity and spirit, with a special quality other classes have lacked."

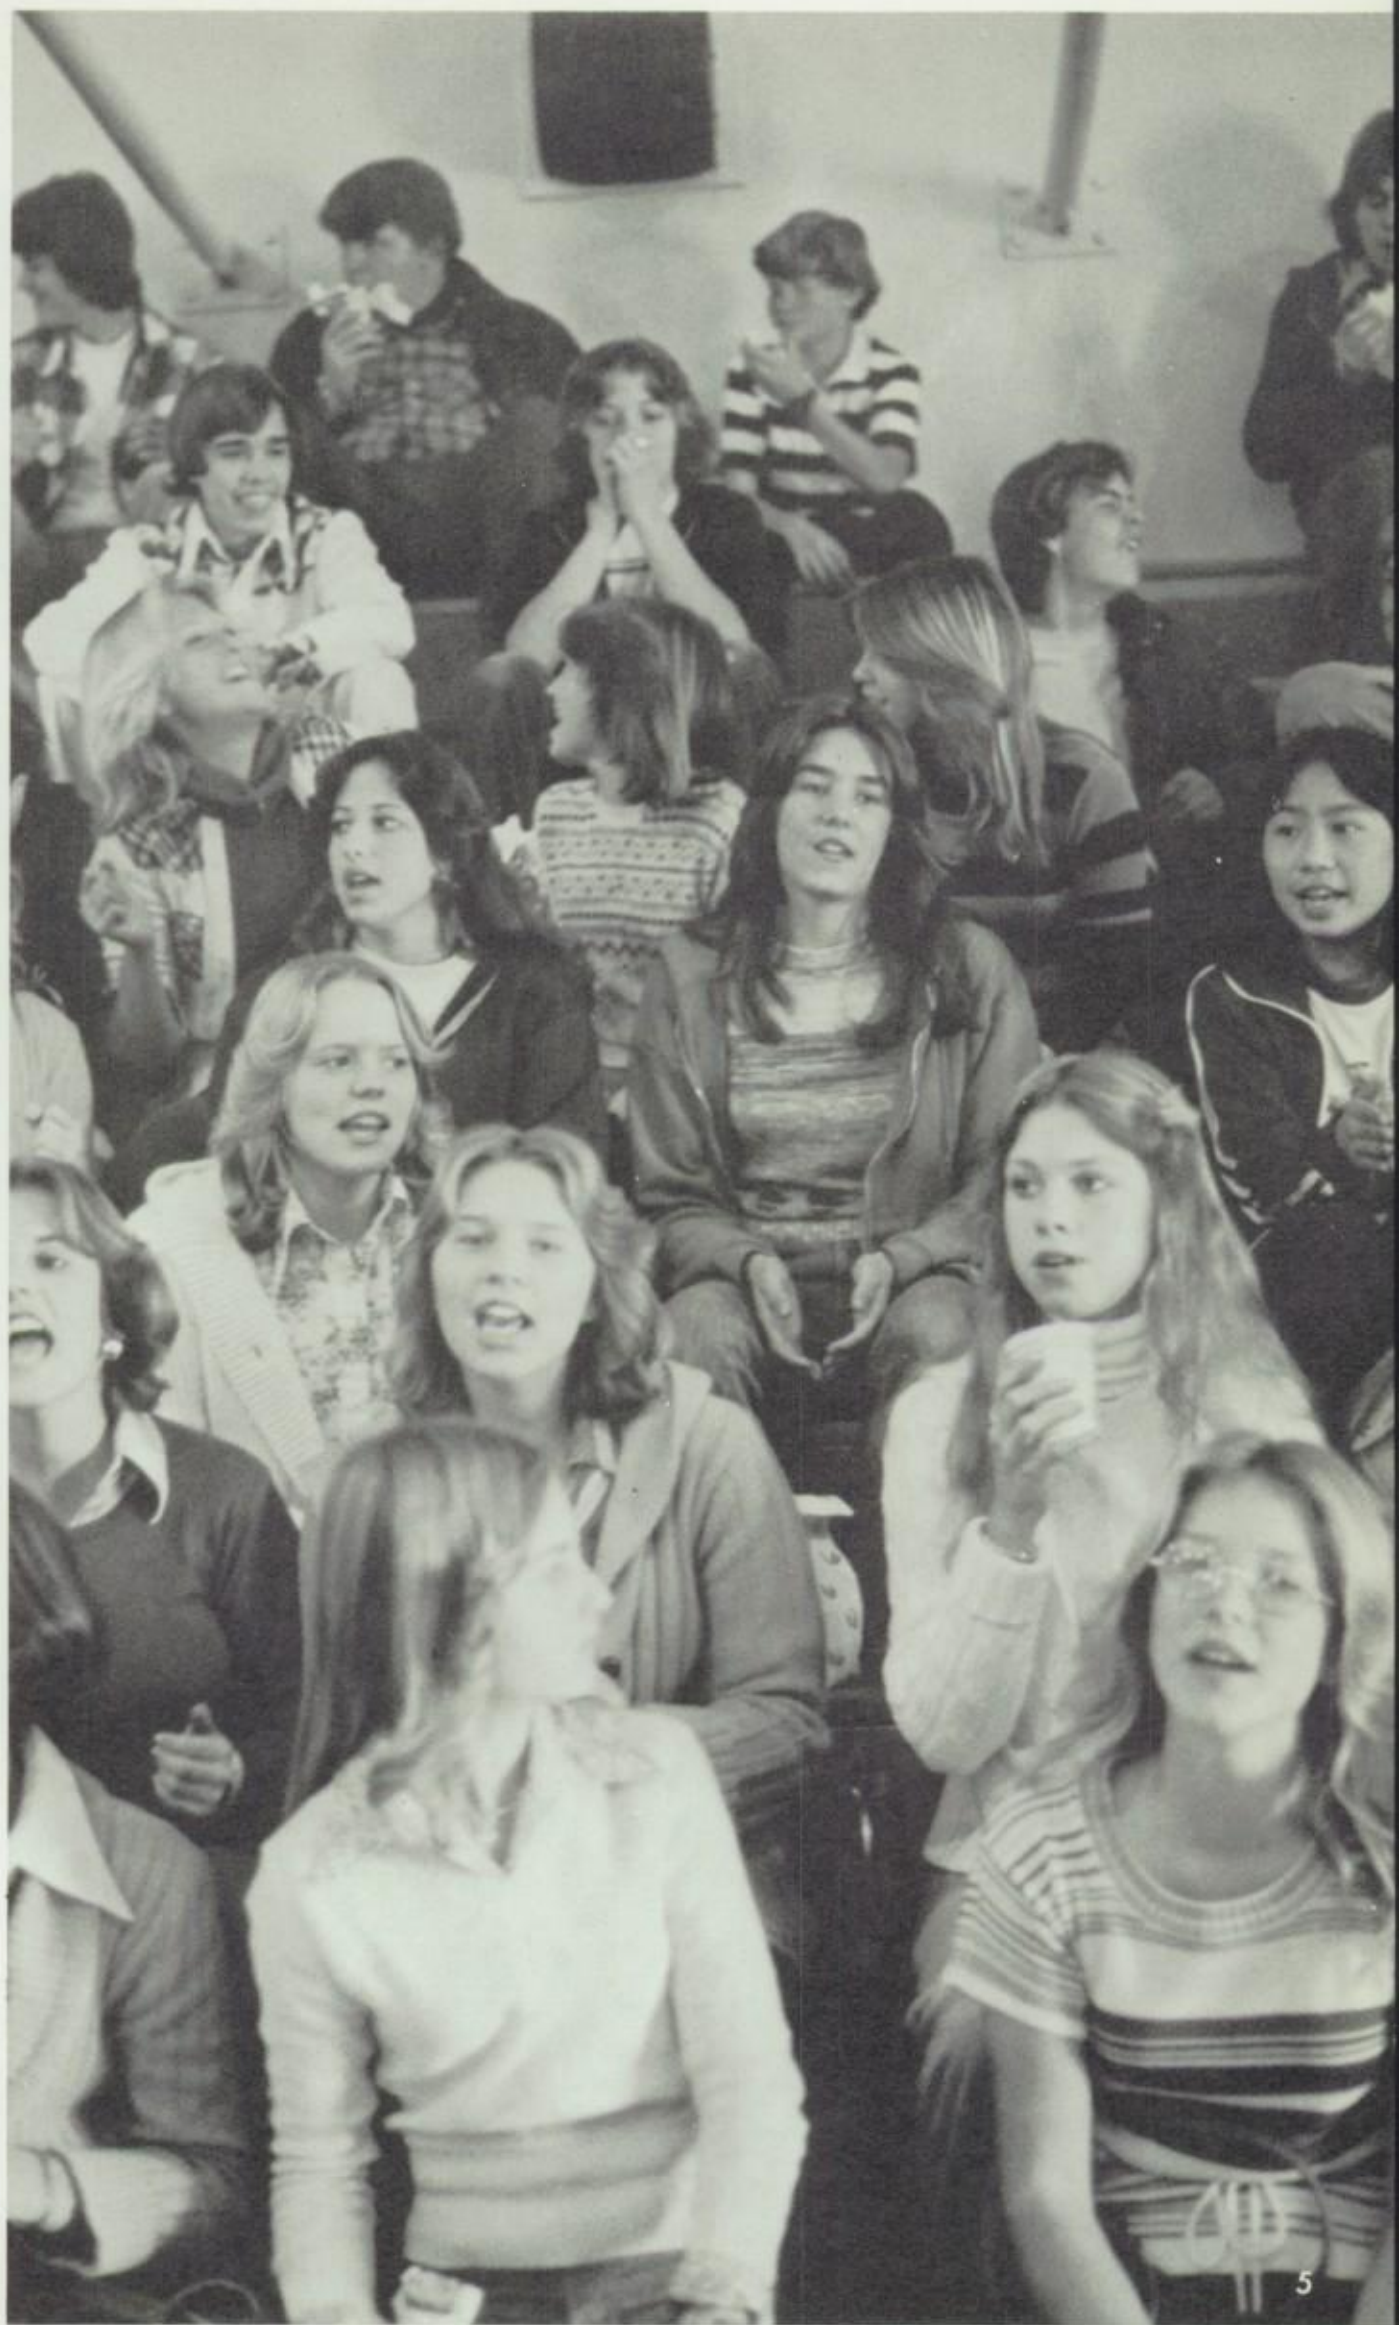

This year's freshmen believe that an early start in money-making activities will strengthen their class throughout their years at Buena Park.

"We want to maintain a fresh outlook and always back it up with energetic involvement in activities like car washes and bake sales," added Catherine.

Being the first class to graduate in the new decade, the freshmen hope to leave a lasting impression at BP.

Volleyball Attacks CIF Once More

September 1 came and the Varsity and Junior Varsity Volleyball Teams started their practice for the season ahead. Under the direction of Coach Ruth Ann Morris both Varsity and JV had much success as they placed second in their respective leagues and Varsity went on to the CIF playoffs.

For the past three years BP's Volleyball team has been in CIF and has traveled to the playoffs. In the first round, BP played against Colton and came through with 15-1 and 15-7 victories. In the second round against Palmdale, BP lost a close game and was out of CIF running.

With the help of returning Varsity members Debbie Sue, Janet Hebert and Alma Gonzales the team performed with skill and accuracy.

1. Janet Hebert is disappointed as the opponent scores.
2. Laury Jenny and Debbie Sue stretch to reach the ball.
3. "We won," yell the JV and Varsity Teams.
4. Debbie Sue scores another point for BP.
5. "Over here," says Laury Jenny as Debbie Sue sets it up.

Tennis Shows Skill, Ability

For members of the 76-77 GAA tennis team, the season started early. A tennis class was offered in summer school which helped the players prepare for league competition.

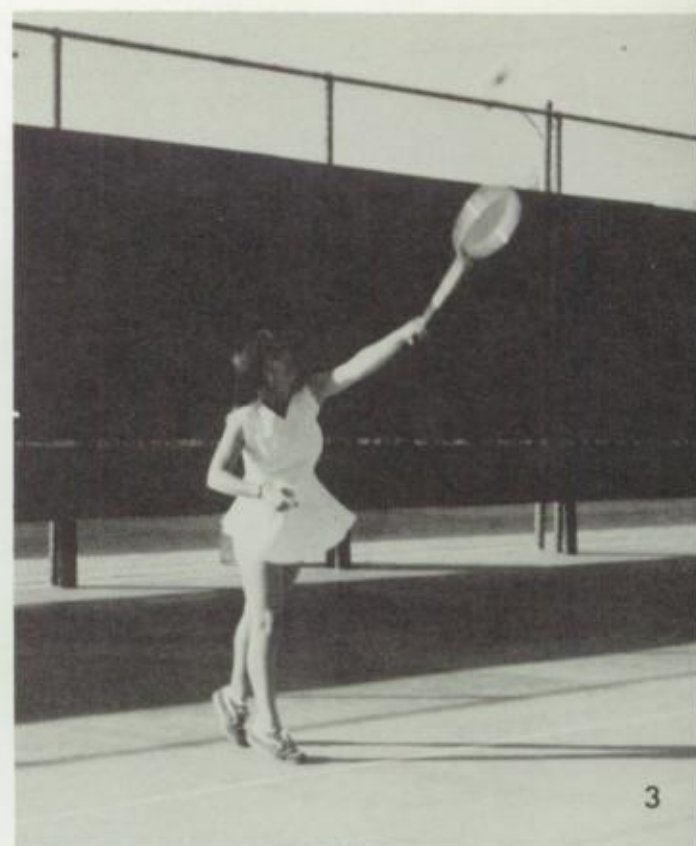

Although the team ended up losing more matches than it won, they still showed their skill and ability by defeating such teams as Savanna, Magnolia, and Anaheim.

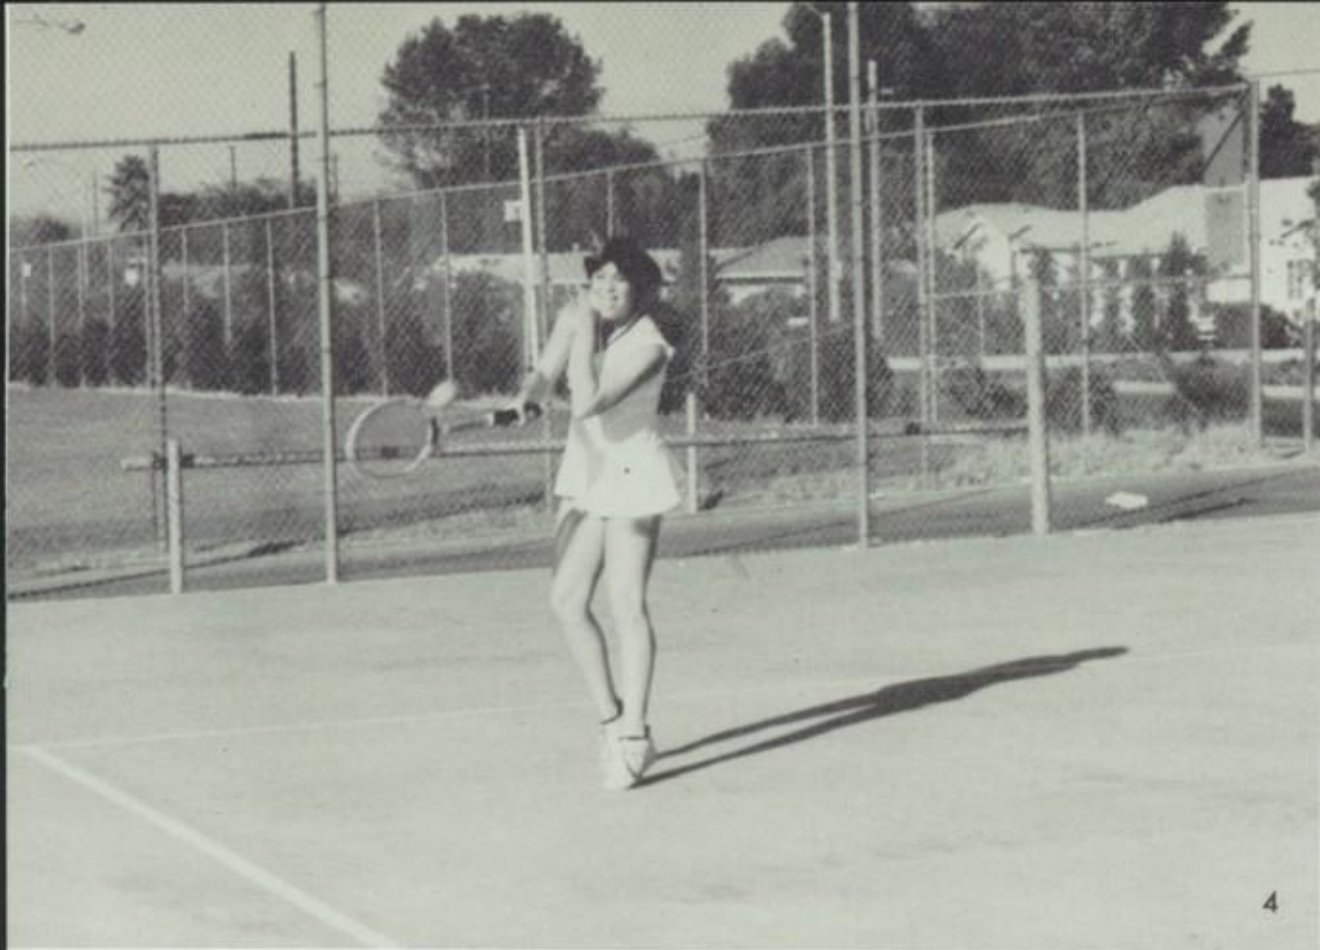

The girls finished with a 6-8 league record, but they never lost their determination.

Top doubles players were Diane Rippy and Kim Smeich, Laurie Diaz and Kelly Imlay, Valerie Bessler and Barbara Trapani, and Charlotte Tafoya and Kitty Imlay.

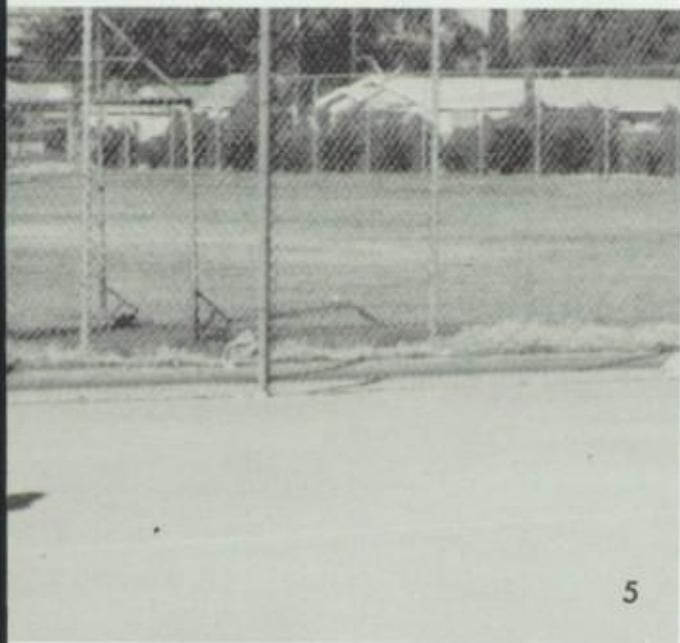

Top singles this year were Jeanette Chavez, Pam Weeks, and Diane Dunthorn.

Much of their success was the result of their coach, Ms. Claudine Casey, who spent long, hot hours helping the girls out and teaching them different drills to improve their ability.

Hockey Team Captures Title

"This year's Hockey team has been the best all-around team Buena Park has had for several years," said Coach Janice Howard. She continued, "It was an inspiration for me to coach these fine athletes."

Ending the season with four wins, one tie and one loss, they became Freeway League Champions. They participated in CIF playoffs and were defeated in their game by Garden Grove.

The girls scored a total overall of 19 points during the season, an average of 3 goals per game, which is a record high for a Buena Park Hockey team.

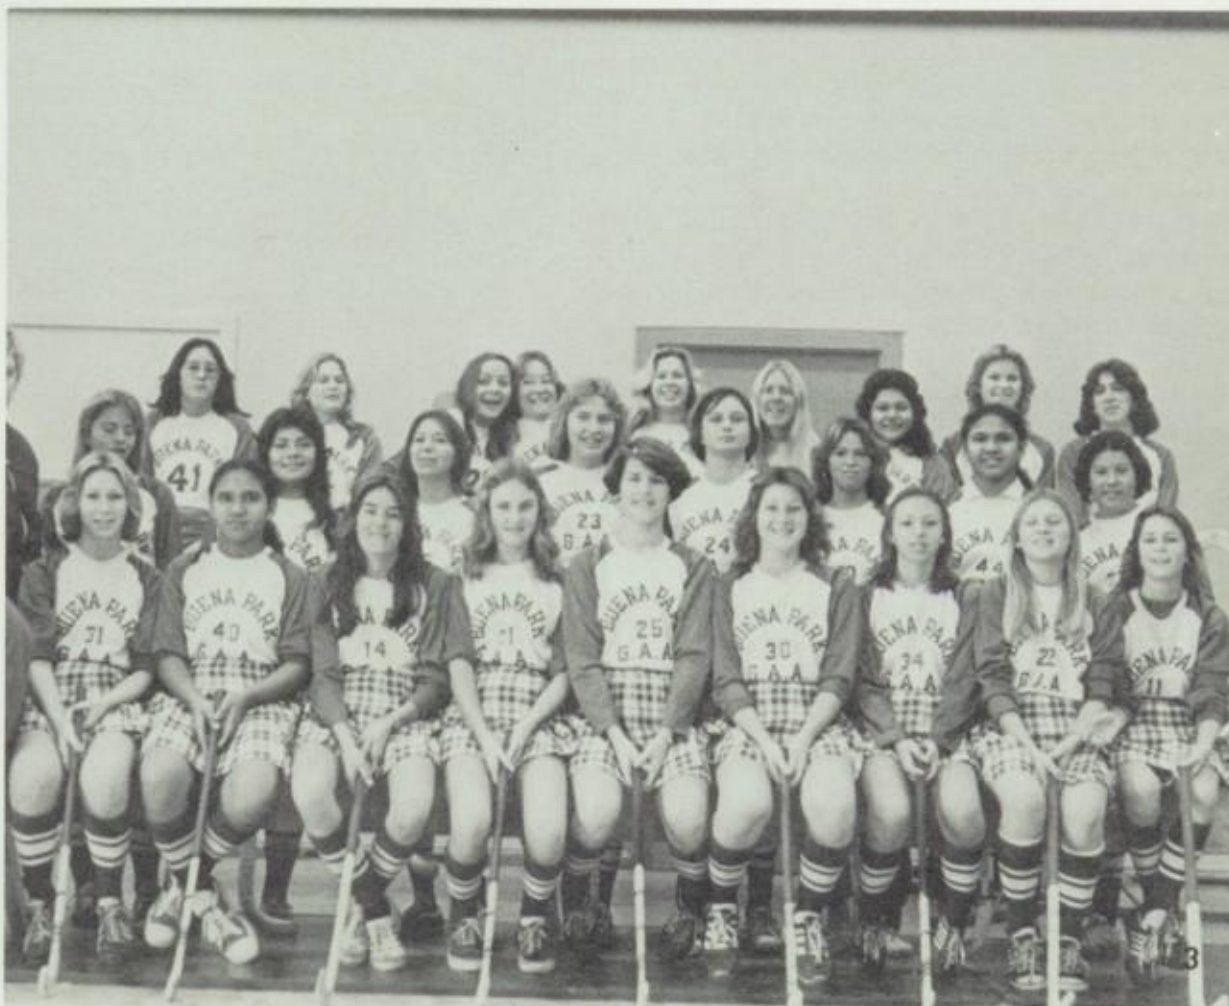

"Some of our individual players scored more goals than some teams in the league," Coach Howard said, "and we had only 3 goals scored against us all year. This really is evidence of a superb defense."

First and second All-League teams were chosen. Buena Park contributed Debbie Sue, Sandy Johnson, and Wanda Unruh to the first team, while Pat Stellrecht, Kelly Imlay, and Cindy Martinez were chosen for the second team.

The Junior Varsity team achieved the title of co-champions in the league with a record of 3 wins and 2 ties.

"The team carried a lot of Freshmen," said Coach Donna Kramer. "This really shows potential for years to come."

Among them were Terry Hildebrand's new time of 18.5 seconds in the 110-yard low hurdles and Deborah McGhee's time of 13.22 seconds in the two-mile run.

Outstanding players on the Girls' Varsity Basketball team, coached by Ms. Janice Howard and Ms. Donna Kramer, were Debbie Sue, Laury Jennie, and Cheryl Nault. These girls dominated the scoreboards this year, making the team a successful one.

The Girl's Junior Varsity team came out with a good record thanks to high scorers Amy McLean, Ann Kruse, Diane Rippy, and Jane Grutzik.

Girls' Squads

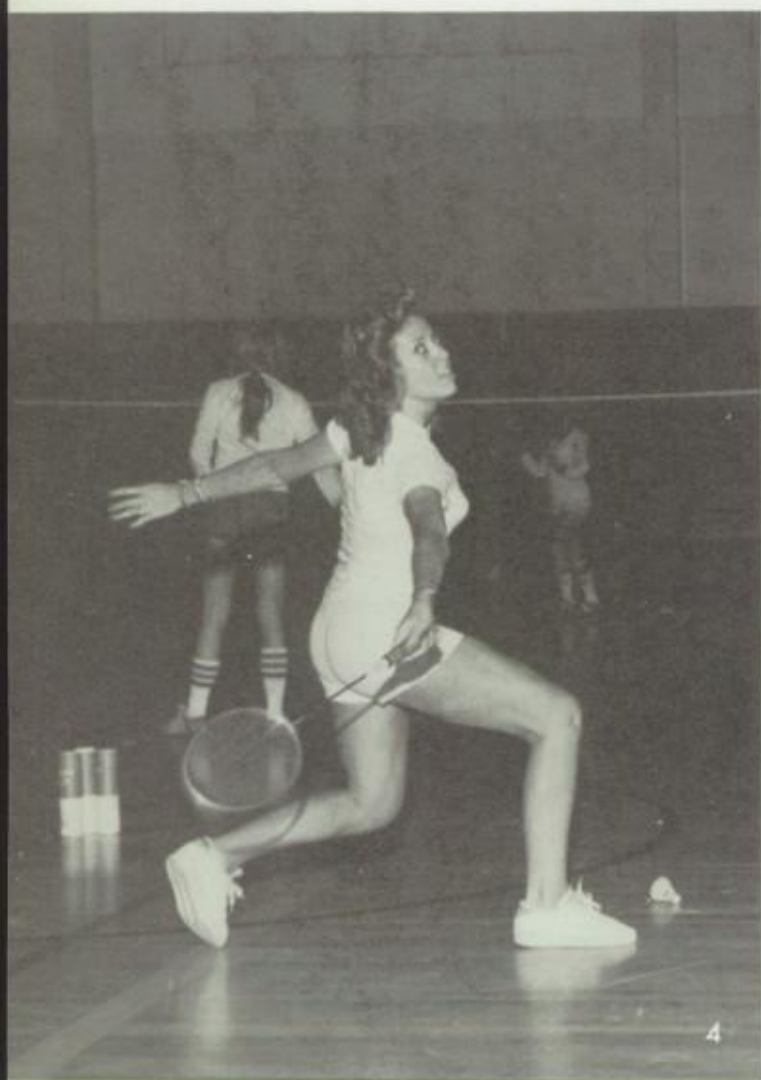

Strong, United

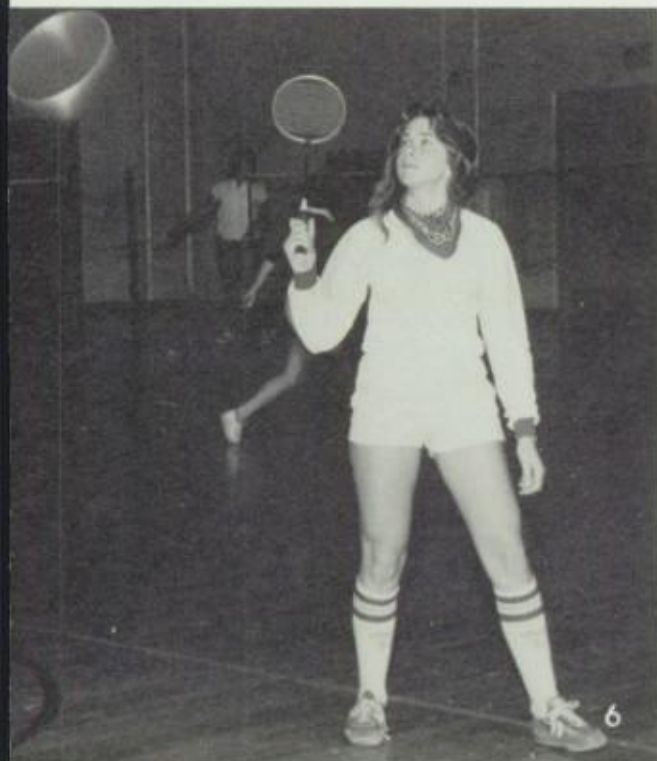

Starting out with just a few returning members, the '77 Badminton team showed their strength and endurance by turning in a fine season record. Top doubles for this year were Lori Diaz and Charlene Avila, Julie Kaluzny and Laurie Lang. Top singles players were Charlotte Tafoya, Diane Dunthorn, and Sylvia Medellin.

Also turning in some fine scores for the Coyotes was the GAA Softball team. With many returning players, the team was a strong and united one, as well as a victorious one.

Returning players this year were Laurie Jennie, Wanda Unruh, Debbie Sue, Sandy Johnson, Christy Rains, Kitty Imlay, and Kelly Imlay.

With most of the team members returning, the coaches feel they will have as good a team or better next year.

Dance Production Displays Talent

Achieving professional performances and attitudes is what seventh period Dance Production is all about. Keeping with the tradition set many years ago, it was again one of the best dance groups in Orange County.

Under the direction of Ms. Sally Thompson and Dance Manager Joyce Philbin, the class is known throughout the community as the Buena Park Dance Theatre. The class consists of a select group whose talents range from mime to lyrical to jazz.

During the year, members of Dance Production performed at Silverado Days, Knott's Berry Farm, and various Christmas programs.

The main part of the dancers' time is spent creating skits, and choreographing and polishing dances for the annual Spring Concert. This year's concert was titled "Expressions of Life through Dance" and climaxed the dancers' year.

Varsity Plagued With Injuries

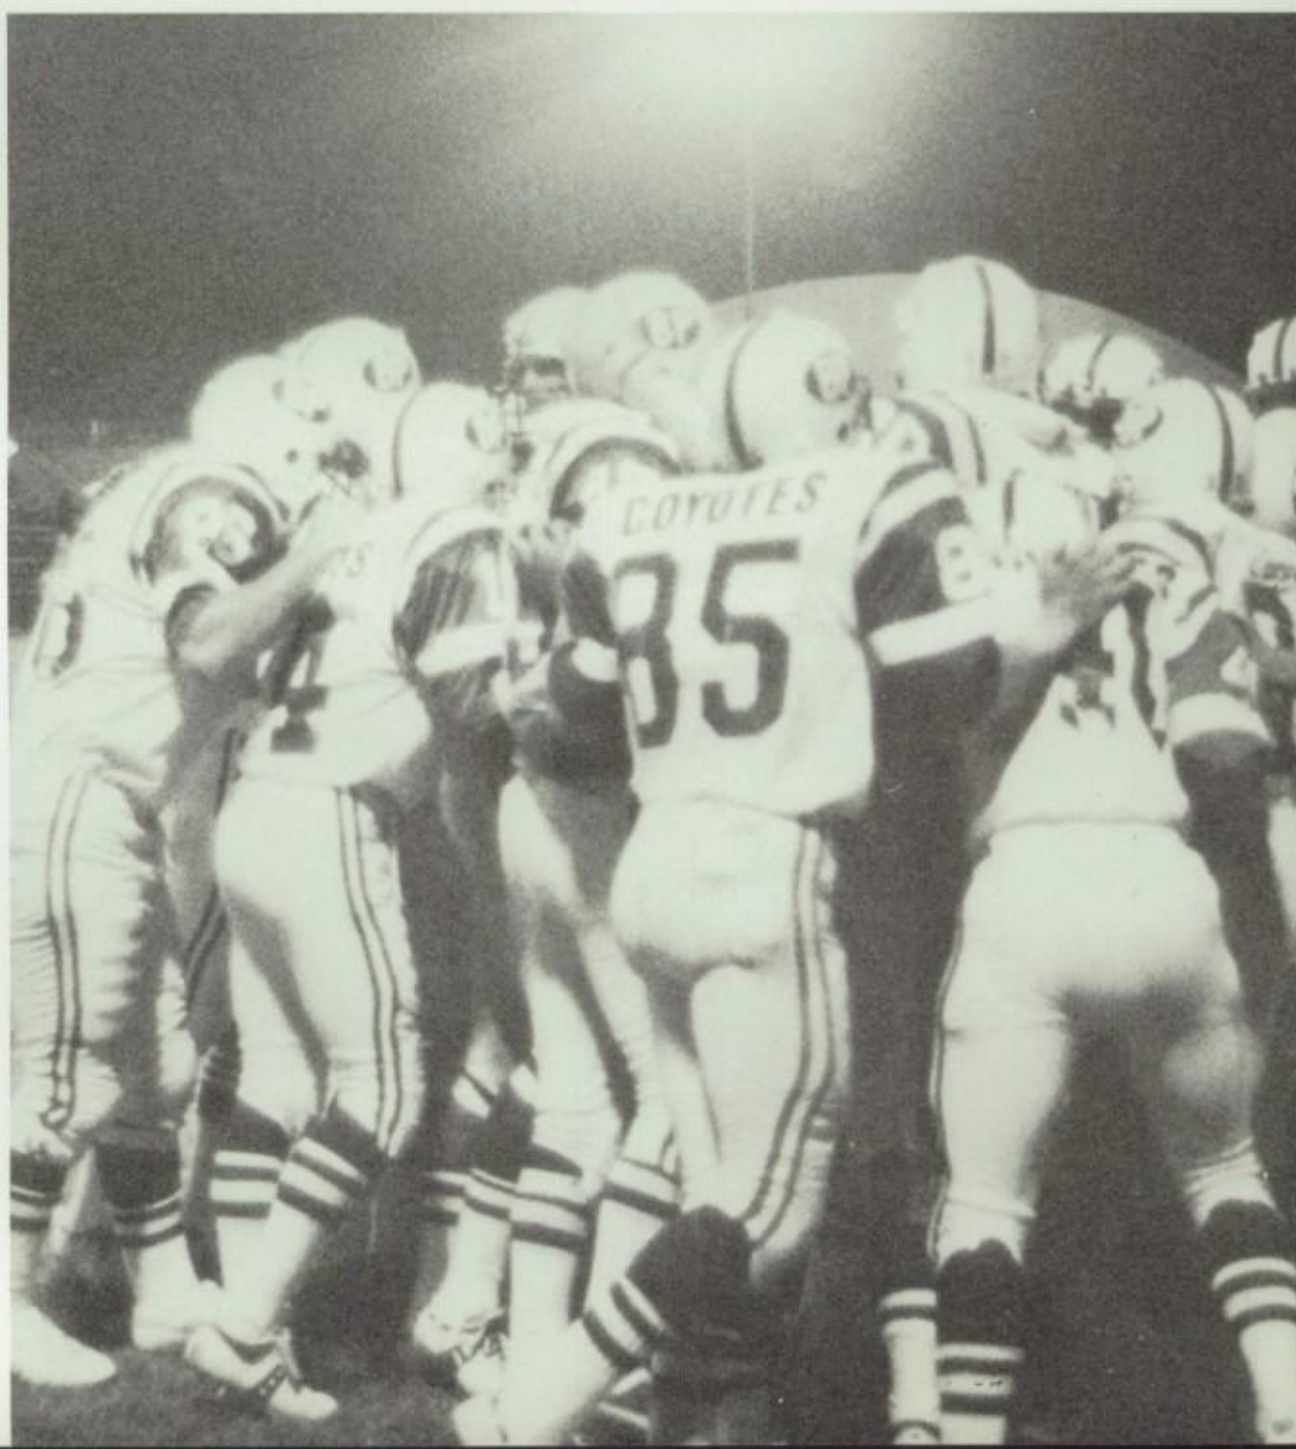

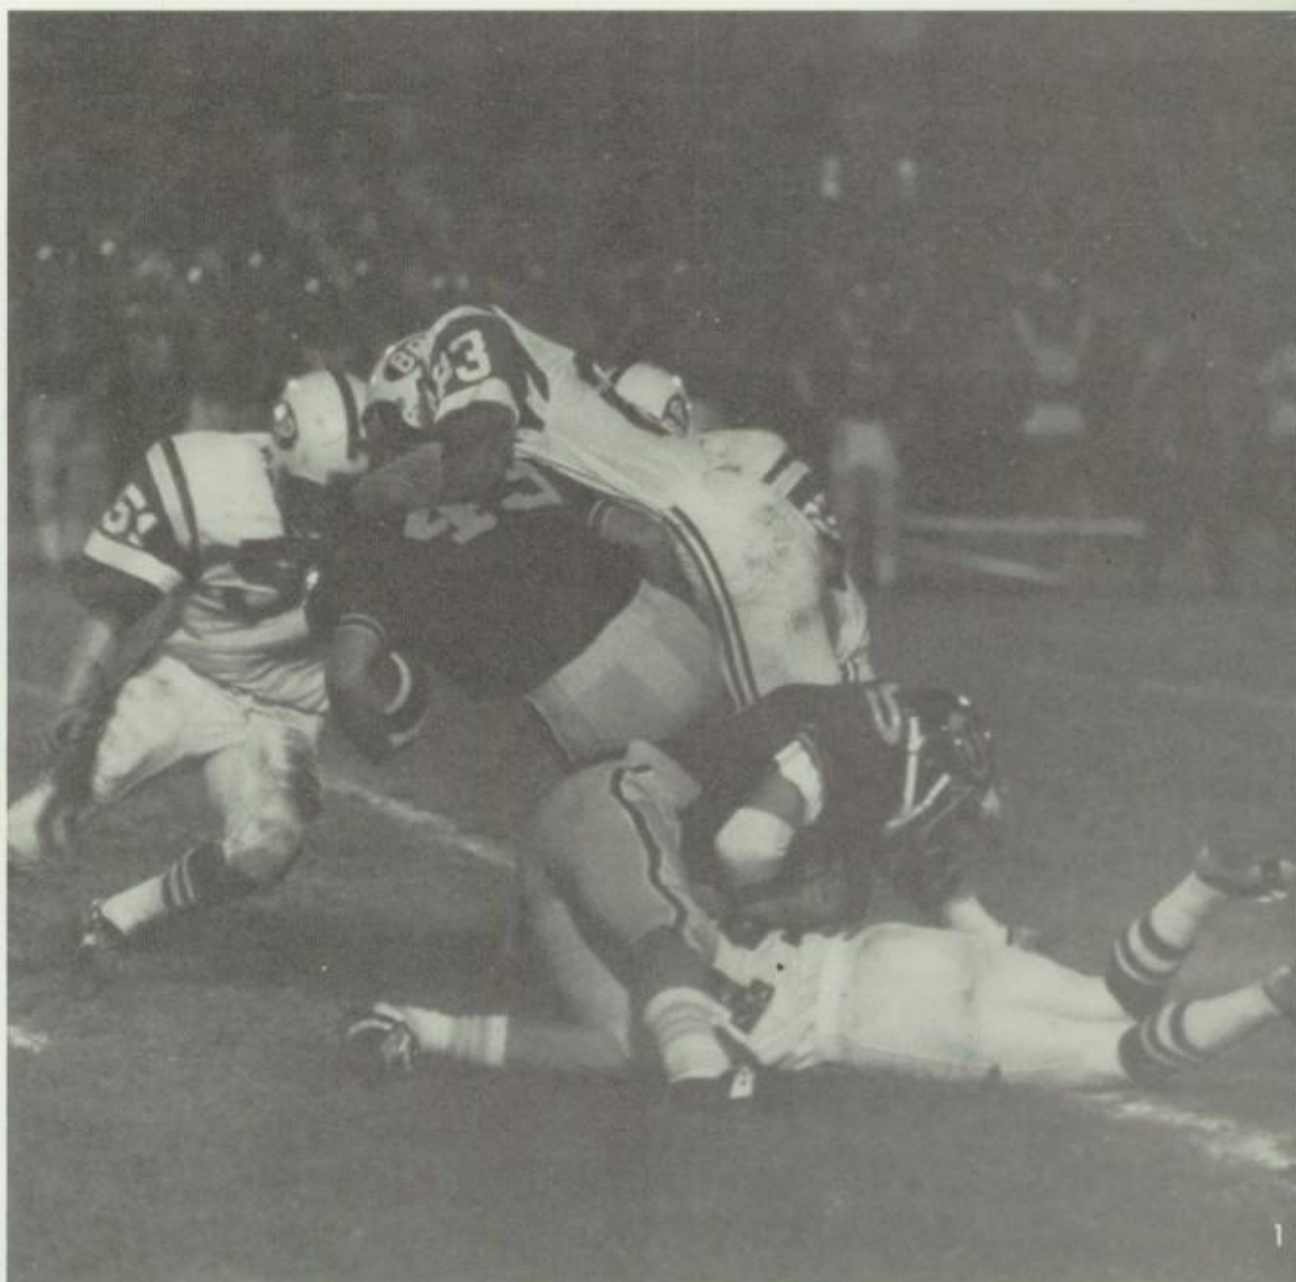

Coach Ralph Tallant called the 1976 football season "a year of experience" with 17 returning lettermen from 1975.

The Coyotes opened the season against a previous contender, the Santa Ana Saints. Through three quarters the game remained scoreless, but shortly after the fourth quarter opened it was soon 6-0 Saints. With three minutes left in the quarter the Coyotes scored, tying the game; Final score, 6-6.

Buena Park moved on to another strong opponent, Santiago. In a well fought game, the Coyotes not only suffered a loss but also received multiple injuries to the team.

With starters Scott Collier, Vic McCard, Randy Gardner, Don White, Jerry Faas, Luis Lavarreda, Toni Capizutto, Chris Oare, Scott Turner, Gary Kaseman, and Steve Kaufman sidelined, B.P. went on to finish the season with a record of 1-7-1.

Novice Teams Look To Future

The Freshman and Sophomore football squads suffered through a long season in 1976, with a combined record of two wins, 15 losses and one tie.

Sophomore Coach John Miller said, "There were many factors which led to our losing record this season. First, I always believed that Frosh and Soph teams were building blocks to Varsity. Therefore, I tried to give playing experience to every member of the team, not always depending on football ability. Second, with so many injuries on the Varsity I had to send up starters from the Sophomore team. That really weakened us."

Freshman Coach George Giokaris was pleased with the progress of many individuals on his team, even though the season was generally disappointing.

Outstanding players on the two levels were Freshmen Cliff Johnson and Alfred Zamora and Sophomores Mark Sanchez and Hector Riano.

Waterpolo Squad Experiences CIF

"It was a total team effort," said Coach Tom Clark. "This was one of the best teams I have ever had."

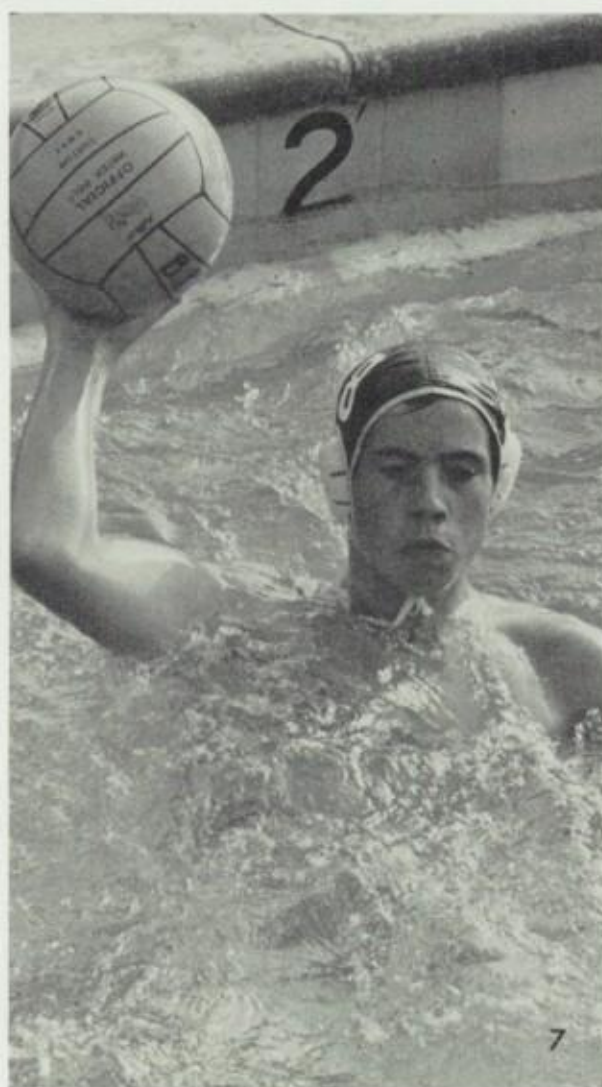

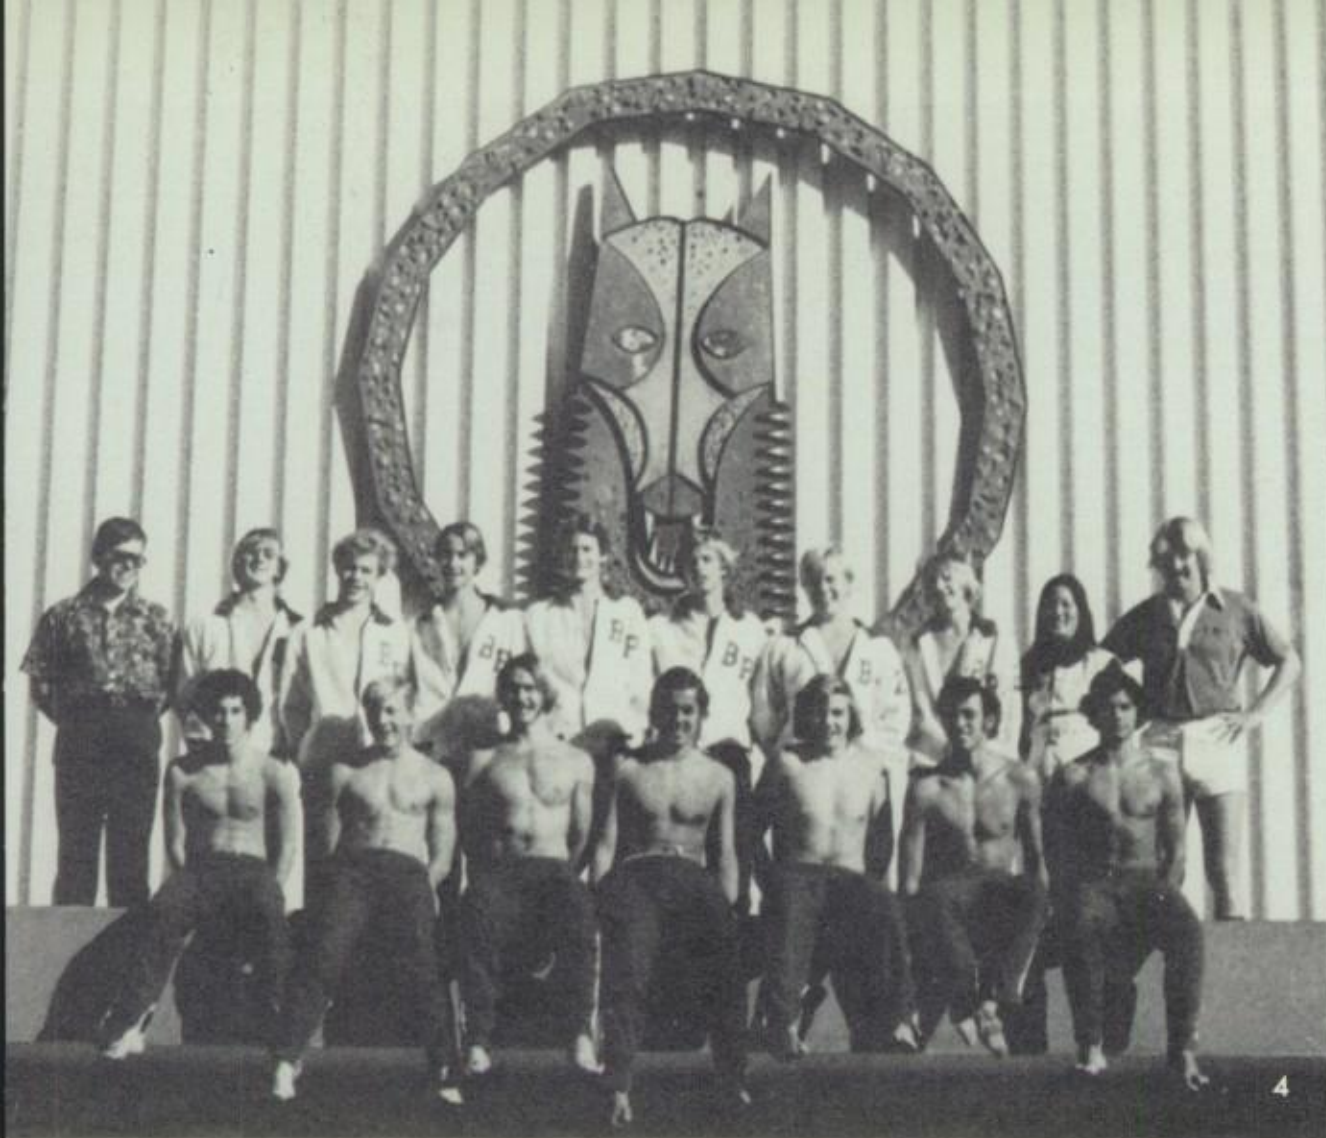

The 1976-77 Waterpolo team was an intense and strong unit. With the history of Buena Park in the background, the Waterpolo team felt it was time for a change. In Buena Park's 21 years of contending for a CIF birth, this was the first year it happened.

Even with a loss to Anaheim they placed third in league and were still picked to play University in their first CIF water polo game.

This year's Freeway League provided a new and tough experience. With Sunny Hills and Anaheim in contention, CIF rated the Freeway League to be one of the strongest in Orange County.

Coach Tom Clarke felt that this year's team was spread equally in talent among his players and will be a powerful force in the Freeway League in the years to come.

Young Team Works Toward Varsity Year

Buena Park's Frosh-Soph Waterpolo team was very impressive in the Freeway League this year. Led by Assistant Coach Ted Clark, they worked their way to a second place spot in league and just missed a first place decision by losing a protest to Sunny Hills. The team was young and will grow in experience as they work toward their Varsity year.

Varsity Team "Best Ever"

All the way to C.I.F. — the preseason goal of the Varsity Cross Country team — was achieved by hours of strenuous workouts and endless enthusiasm by all runners.

"This is probably the best Cross Country team in the history of B.P., because of our undefeated record of 7-0" stated Co-Captain Scott Allison.

At the B.P. Invitational, Scott tied the course record (9:22) which was set in 1974.

The other Co-Captain Art Cendejas, was a letterman all four years in Cross Country.

The team was composed of five seniors, three juniors, and one sophomore, all working together to make a winning team.

Young Striders Display Talent

With an accumulated record of 20 wins and 1 loss, the J.V., Frosh and Soph Cross Country teams displayed a great deal of talent.

A large turnout for the Freshmen was an indication of a revived interest in long-distance running.

Coach Hirsch felt that the success of the underclassmen, especially the undefeated record of the J.V.'s, provided hope for a continuing winning tradition in Cross Country.

Cagers Improve, Earn CIF Berth

Many people felt that a CIF playoff berth for a Coyote basketball team was never going to come. When the Coyotes were 1 win and 7 losses in preleague, many thought BP was going to have to wait another year, but they didn't.

For the first time in a decade, Coyote basketball was in the CIF playoffs. Although the cagers lost their first round game to Sierra League champ Covina, Coyote followers are anticipating many winning seasons as a result of their experience in CIF competition.

Many firsts occurred during the basketball season. Coach Ken Bell was named "Coach of the Year" by the local newspapers, and it was his first trip to the playoffs. The team also added one of Coyote basketball's best league records to the books; it was a 10-4 year and also Coach Bell's first league record in double figures.

Coach Bell felt a main factor in the CIF season was the team's unity and its will to never give up. Another factor, the team and coaches felt, was the crowd support they had at every game, no matter what the score.

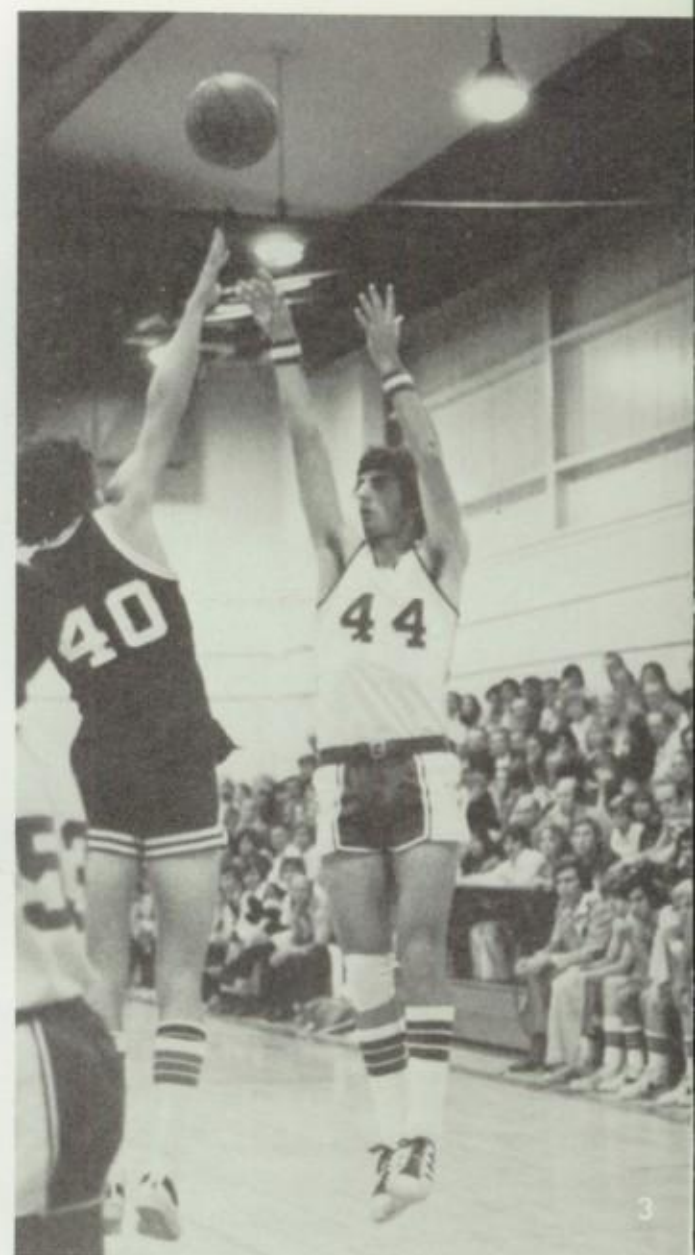

It was an intense season, and it had its highlight when the cagers faced Lowell for a possible tie for first in league on February 16. Although the Coyotes lost in the final minute of play, the team looked forward to a CIF berth.

Their final league game of the '77 season was against Troy in the BP gym. It was a close battle, as were most Coyote games this year. In the final 5 seconds, with the score tied, Kurt Rosenkilde swished a 25-footer to secure a 10-4 record, a Coyote second place finish and, most important, a CIF playoff spot.

1. "On the move," is Senior Tom Mehrmann.
2. This year's MVP Junior Kurt Rosenkilde stops and puts in a sure two points.

JV's Prepare For '78 Season

The JV basketball team ended the '77 league season with a record of 6-8. It was a team with much intensity and determination. Plagued by poor outside shooting all year, the Coyotes were still a factor in the league.

With four sophomores ready to join the varsity in their Junior year, the JV cagers made a big contribution to the overall program.

As a coach, Mr. Fairchild was well-liked and thought of as a team leader instead of just a coach. The JV's worked hard all year, hoping to continue the CIF tradition at Buena Park in '78.

Frosh, Soph Competitive In League

Due to youth and inexperience the Sophomore team of '77 had a tough year. Since a few players were on JV's for almost half of preseason, the team had to adjust to the styles of the new players. After the season was underway they adjusted and became competitive in league.

Coach Giokaris feels this team is going to become, in their Junior and Seniors years, a major force in the Freeway League.

The Freshman team members were being introduced to a new experience, organized basketball. With Coach Tom Gregory at the helm, the Freshman had probably the best Frosh coach in the league. As time went on, it showed; the Freshmen were winning, a thing most Freshman teams in the past never did.

Coach Gregory felt that this year's team was one of the most coachable he has worked with. As Seniors, many feel this team will be in the battle for a league title.

Wrestlers Finish High In League

Under the direction of Coach John Craven, the Varsity Wrestling team began the season by placing high in the Montebello, Orange, and Estancia Varsity Tournaments. In league, the team finished with an impressive six and one record, losing only to Sunny Hills.

This year the team was led by Ron Thomas, Brian Ota, Ron Chavez and Roy Toma, who went to the CIF prelims. Ron Thomas went on to compete in the CIF finals. The banquet winners were Ron Thomas as the most valuable wrestler, Brian Ota and Mike Perez as co-most inspirational wrestlers and Mike Perez and Ron Chavez as co-most improved wrestlers.

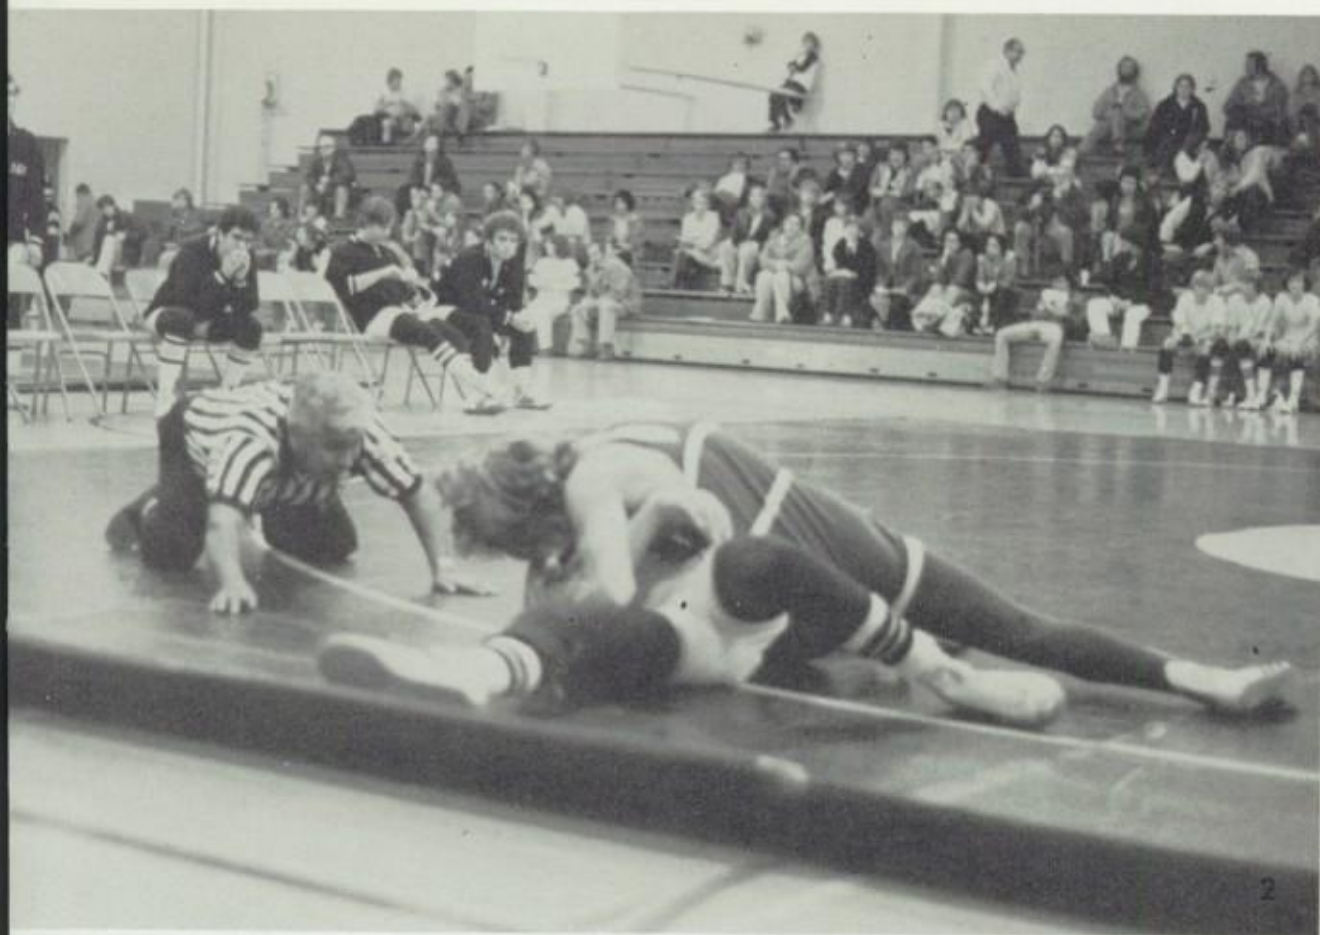

It is expected that next year's squad will also place high due to a large number of young varsity lettermen.

1. Fresh-Soph Wrestling—Row 1: D. Smith, B. Solorza, G. Vu, E. Silva, A. Zamora, K. Bueno, Row 2: B. Collier, M. Delaurell, J. Anderson, S. Jennings, C. Johnson, M. Garcia, R. Lohayza, R. Oliver. JV, Frosh-Soph Grab Top Spots

The Frosh-Soph Wrestling team took a surprising first place in league even though there were six Frosh-Soph wrestlers competing on the Varsity level. Leading the team were Varsity lettermen and banquet award winners Don Ramirez, Carl Besaw and Tim Foster. Also lettering Varsity on the frosh-soph level were Jerry Moreno, Robert Solorza, Terry Scott and Andy Smith.

The BP Junior Varsity team took a well-deserved second place in league this year. Leading the squad were Varsity lettermen and banquet award winners Randy Mankey, Steve Paquin and Mike Laurey. Dave Hitzeman and Tim Smith also lettered varsity on the JV level.

Nine Swimmers Compete In CIF

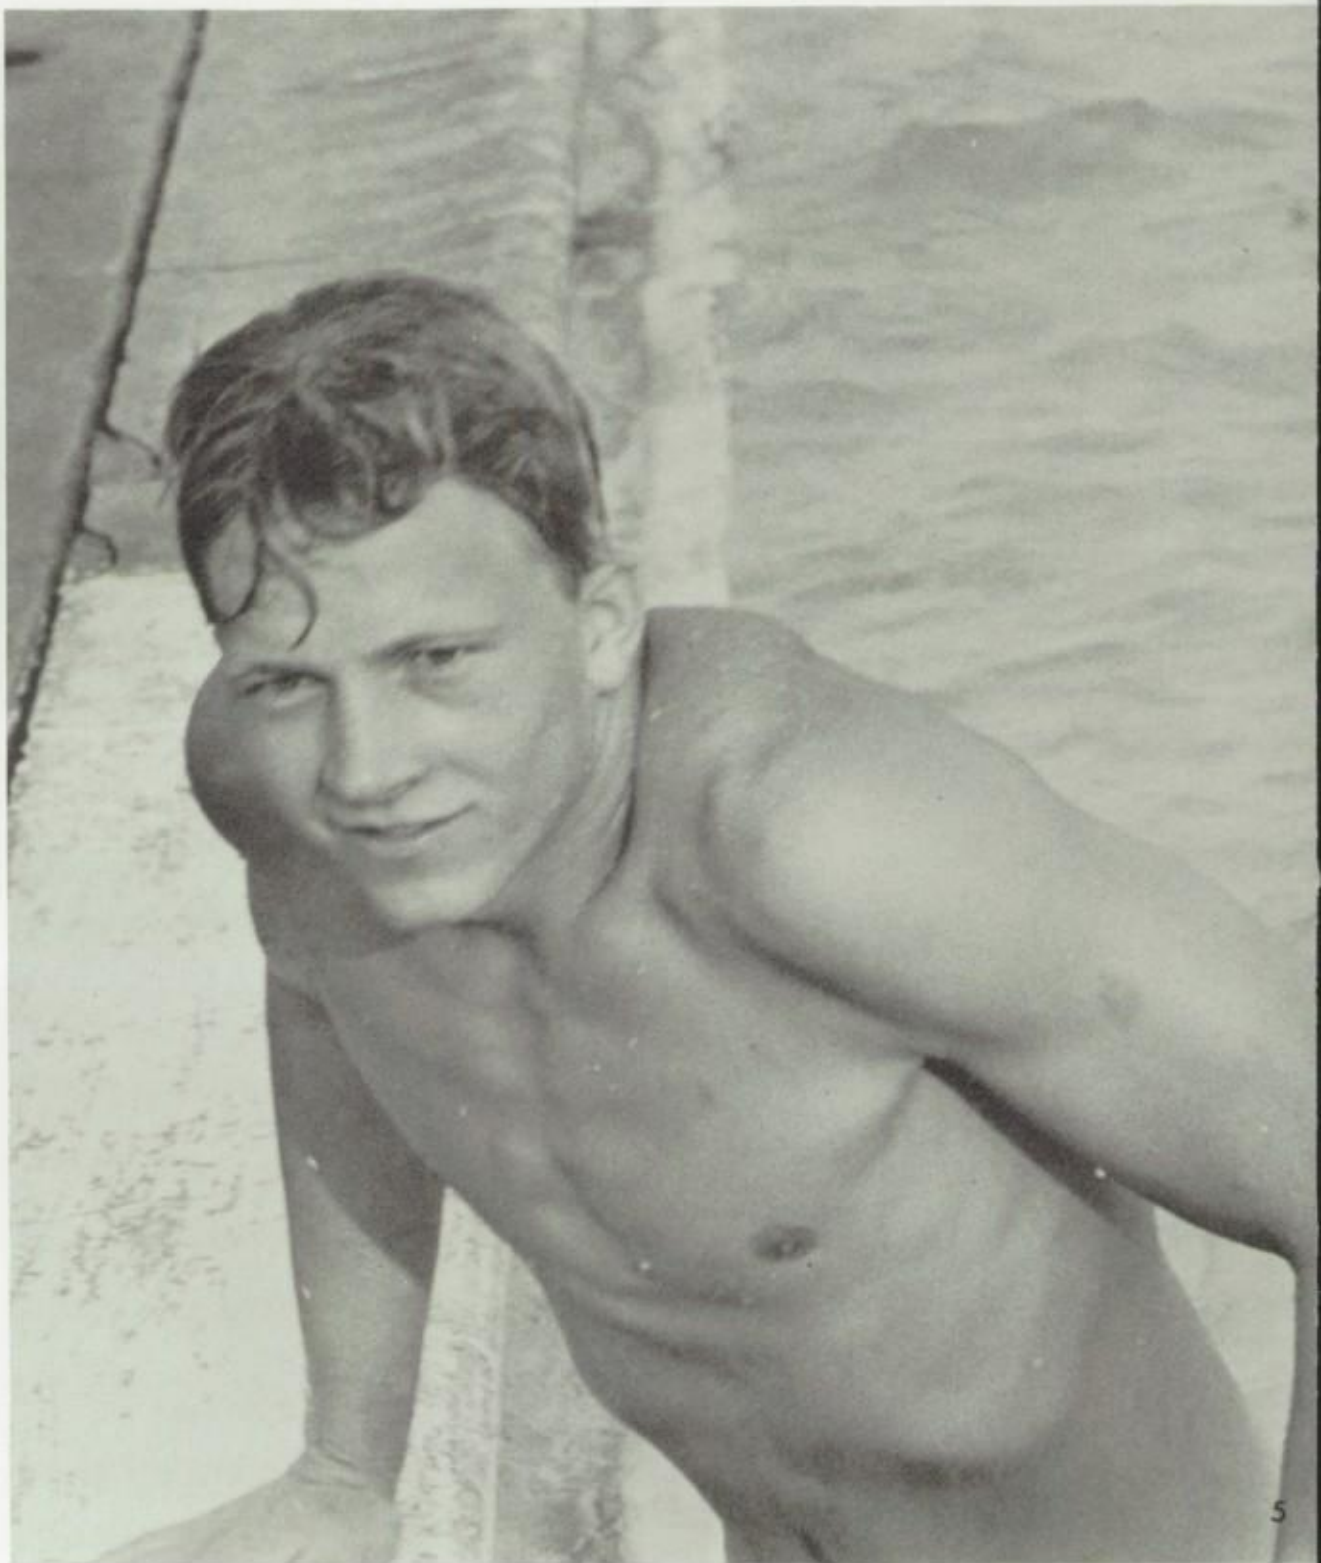

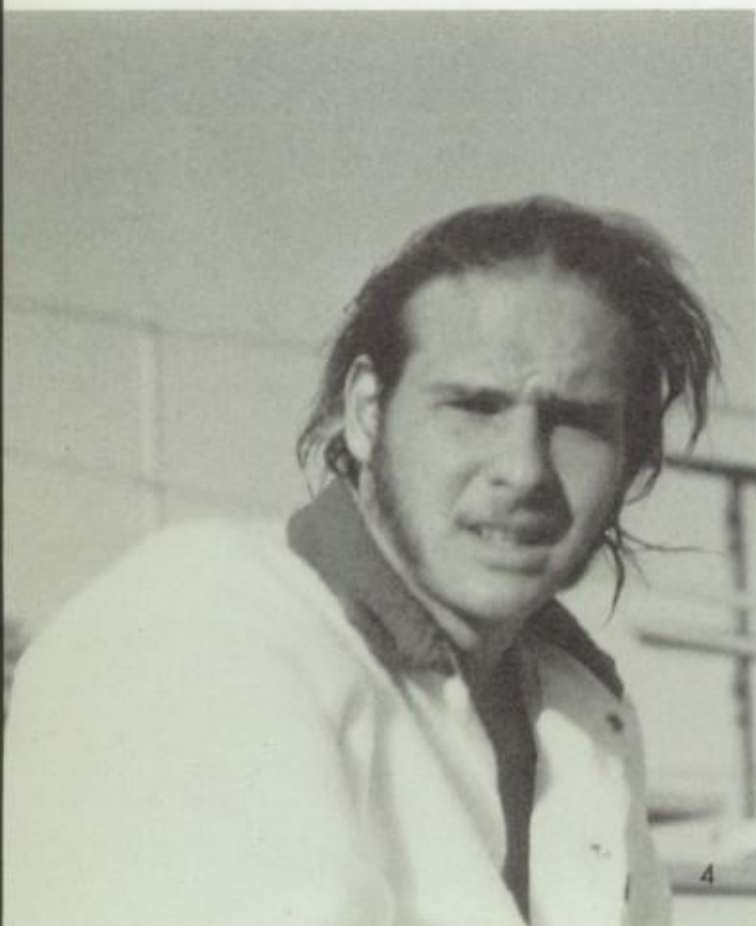

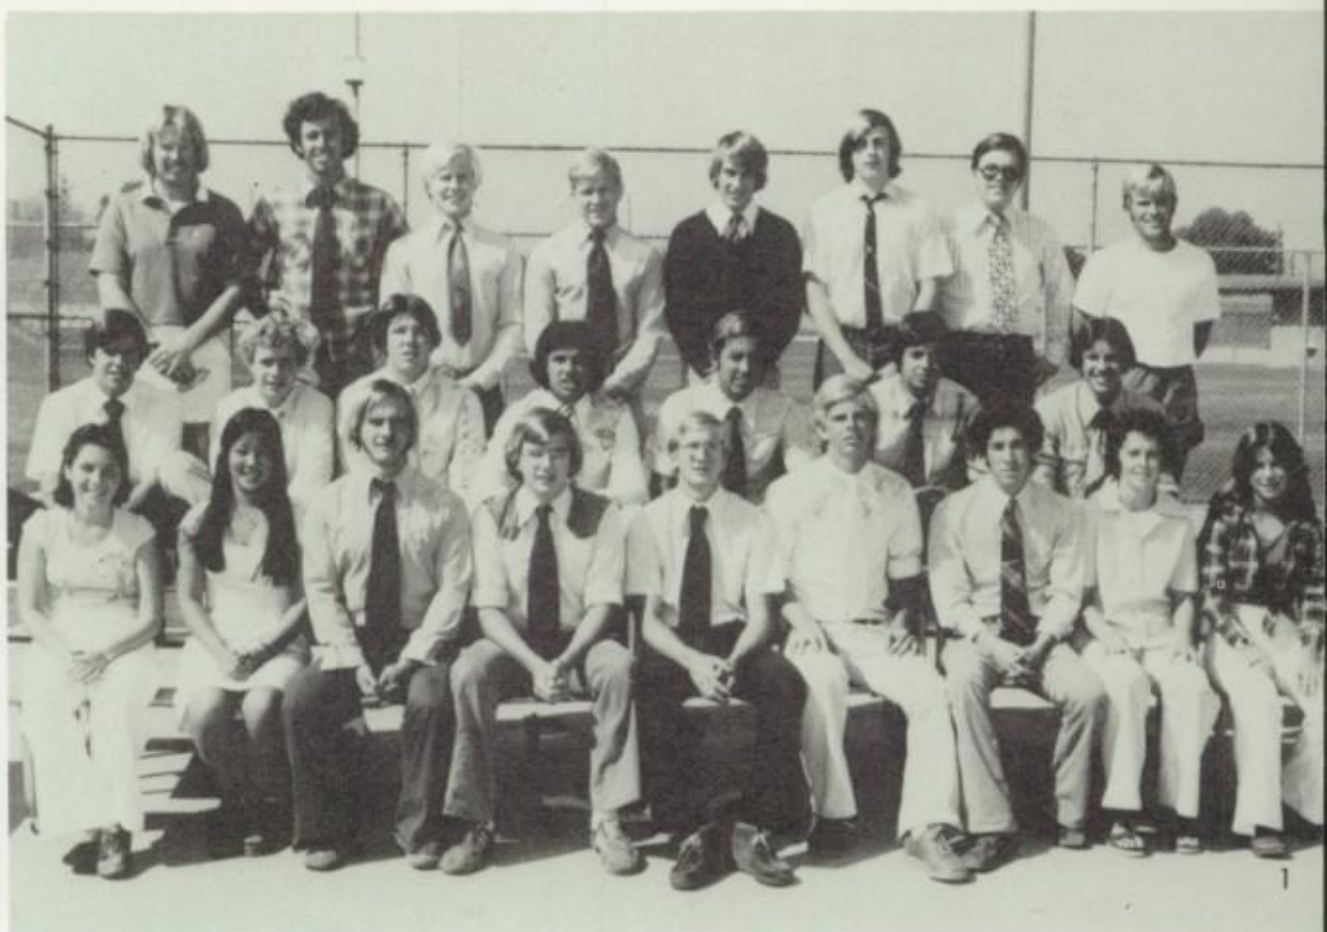

Coach Tom Clarke's Varsity swim team completed another successful season in 1977 with an overall record of eight wins and four losses.

Next year's squad will miss the talents of Jerry Olszewski, Bob Strand, Dave Swartout, and Steve Lacey. "I hate to see the seniors go," stated Coach Clarke. "After four years they're part of my family,"

It was also a year of special achievements. Freshman Jim Spicer was Freeway League champion in diving, and with a record number of nine Coyotes competing in C.I.F., the team showed an overall strength.

The Frosh-Soph team had an eventful season, highlighted by a 112-38 victory over Lowell.

Coach Clarke remarked, "Our younger swimmers did a solid job. They should help build an even stronger varsity in the next couple of years."

Outstanding tracksters were sophomores Hector Del Reo, Mark Shindo, Rick Leonard, Chris Totten and Don Ramirez.

The coaches believe that freshmen Kenny Nelson, Randy Fruneaux, Doug Mitchell and Eric Printup showed a great deal of potential for the years to come.

With these upcoming young stars returning next season, coaches Hirsch and Britt can look forward to continued success on the BP track.

Varsity Baseball Provides Threat In Tough League

The Varsity Baseball team started its season with a new coach and a new beginning — they were winning. After pre-season the team was 4-4 and looking forward to league play.

Coach Miller felt if the team played good ball they would win. After a big victory over Savanna, the Coyotes were rolling. Even though the record didn't show it, the Coyotes were a threat in a tough Freeway League.

Returning players next year will be Glen Jackson, Mike Warren, Royce Mealin, Steve Chavez, Brian Lathem, and Tony Amelung. Some excellent players on the team this year were Seniors Ed Amelung, Dave Coover, Jim Kaplan, and Bob Swanberg.

Squad Stresses Fundamentals

This year's tennis team worked very hard on fundamentals and conditioning which enabled them to improve on their previous season's record.

The team will have some good potential coming back next year in players such as Roy Andres and David Kondo. Also returning is Frank Sue, who will be one of the toughest players in league to beat.

Graduating this year were five talented seniors, including Eddie Wong, Ron Chavez, Dave Tosches, Eric Slick, and Captain Richard Rigney.

Spirit Machine Rolls In Style

To start the spirit machine rolling for the 76-77 year, the Varsity and J.V. songleaders began practicing in the summer.

Their various activities for the year included cheering at Varsity, Junior Varsity, and Frosh/Soph sports events, performing at and running pep rallies, kidnap breakfasts and pizza parties, decorating the football stadium for games, painting posters, and dazzling many half-time crowds with their fancy footwork.

Both squads attended the Santa Barbara Songleader camp in the summer where they learned skits and routines to entertain their audiences.

The Varsity squad was awarded a spirit stick and many blue ribbons for their efforts. The J.V.'s won a spirit stick and ribbons also, and the dorm award for having the cleanest, best-decorated dormitory.

Spirit Of '76-'77

Spirit, pride, and enthusiasm—these were the ingredients which gave the Varsity and Junior Varsity Yell Leaders the energy they displayed throughout the school year.

Leadership abilities were constantly shown by the '76-'77 squad through such activities as pep rallies, Homecoming festivities and all sports events.

Both Varsity Yell and JV Yell won many awards this past summer as they attended various cheerleading camps. Varsity Yell earned two spirit awards, three superior ribbons, one excellent ribbon, and an overall superior trophy. JV Yell came home with first, second, and third place ribbons and a dorm award.

Under the guidance of Advisor John Miller, these girls continuously showed the pride and spirit of BPHS.

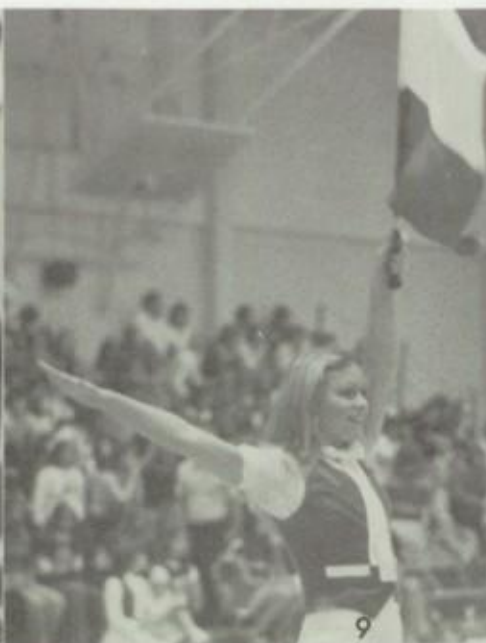

Pep Leaders Raise Spirit

'76-'77 Flag Leaders were involved in many activities, ranging from marching in the Silverado parade and the California Band Review to competing in the California State Competition. The Flag Squad won many awards, including the superior trophy and ribbon at Santa Barbara Flag Camp last summer.

Mascot Pat Harvey put much time and effort into many of the Pep Squad's activities. Wile E. Coyote (Pat) raised spirit at pep rallies and sports events; he symbolized the enthusiasm of BP.

Working closely with Pep Squad was Adviser John Miller who said, "Membership in Pep Squad is not as glamorous as many people think. There's a lot of hard work for which these students get very little recognition."

Music Masters

Over 100 members made up the '76-'77 version of the BP Marching Coyotes. These dedicated students started early in the summer to prepare for the school year.

Half-time shows were not the only performances by the Coyote Band. Silverado, El Primo Band Review, and California Band Review were a few of the parades at which this large group performed. Special concerts at Silverado Days and preseason concerts were also part of the year's activities.

Under the direction of Ms. Sally Thompson, Mrs. JoAnn Richey, and Mr. James Young, the Drill Team, Letterettes, Flag Carriers, and Marching Band won many trophies and awards.

All of this leadership, guidance, and hard work have made the Coyote Marching Band one of the best performing units in BP history.

Dear Buena Park High School Students,

The 1976-77 school year has brought new faces and changes to our campus. Change is a part of life and part of the continuing experience of being an independent member of society. I hope, as you look at your experience at Buena Park High School, you see and feel the changes that have taken place within you and around you.

Buena Park High School is a small part of the larger society to which we all belong and to which we hope to make a contribution. Each of you has made a contribution to our campus community and will, I hope, continue to make contributions in your chosen walk of life.

As you face each new experience at Buena Park and in your life after high school, I hope you remember that life is a constant accumulation of sensitivity to others and to oneself. Counselors Offer Advice, Guidance

The Counseling Department is made up of many dedicated people who do more than their share of work.

Students Become Active Learners

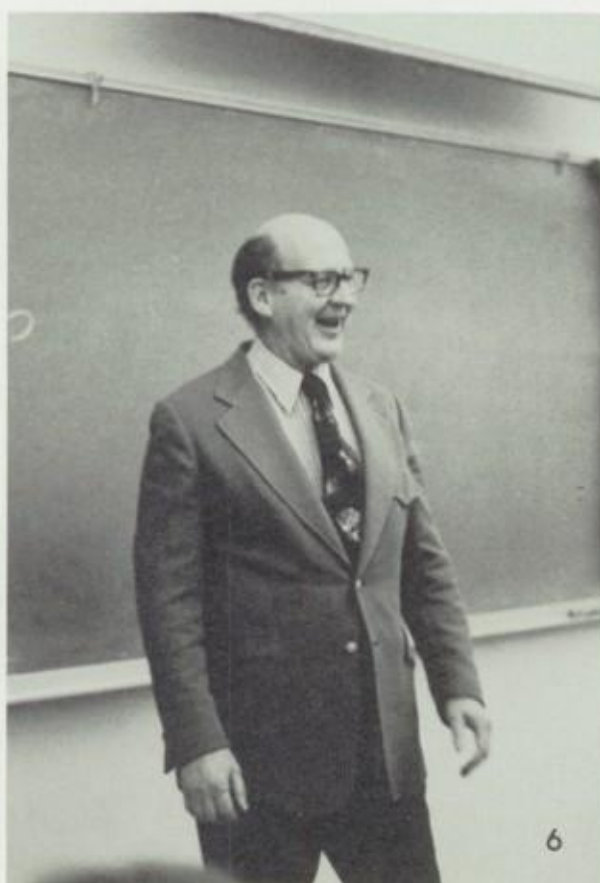

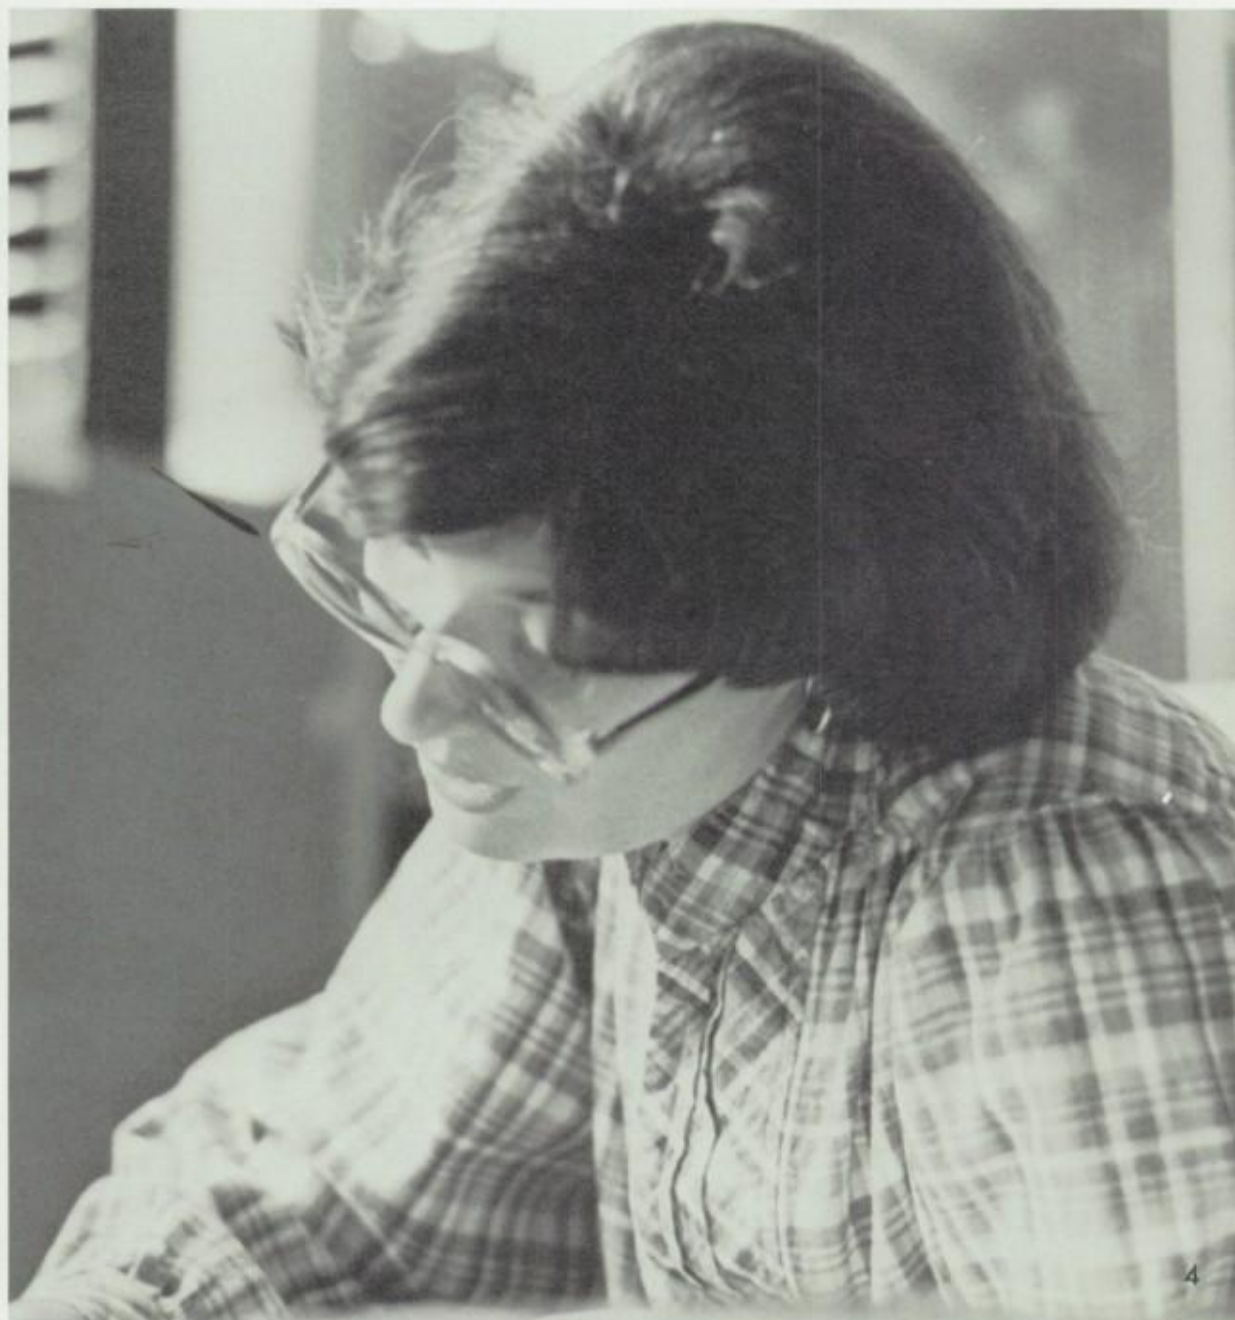

The philosophy of the Social Science Department was to teach critical thinking skills. They stressed a student-centered program rather than teacher-centered, so students themselves were active learners.

In almost all of the Social Science classes this year, simulations took place dealing with the curriculum giving students a chance to experience different life situations.

The department also held SIR (Silent Individual Reading) once a week for 15 minutes, which enabled students to bring books or magazines for recreational reading.

Due to the budget cut, the department suffered a lack of funds for new films, audio-visual equipment and new books.

Science, Math Teachers Stress Clarity, Reason

The teachers of science and math courses were working hard to make their interesting, but often difficult, classes easier to understand.

Using labs and films, the science teachers, headed by Mrs. Sarah Grondstrand, illustrated the importance of scientific knowledge for today's students.

By giving practical uses for mathematics, Department Chairman Saul Schachter and the other math teachers give students good reasons for learning.

English Staff Creates Varied Curriculum

With 14 teachers on the English staff this year the students are learning at a fast pace. The elective English classes range from Mass Media where the process of film making is learned, to Advanced Reading where many books are read and a wider vocabulary is learned.

A new class is in the process of being started for next year called College Prep/English Skills. There were also classes to help the students with their individual problems, Reading Advancement, Thoughts and Expressions, and Developmental Composition.

Classes Stress Trade, Culture

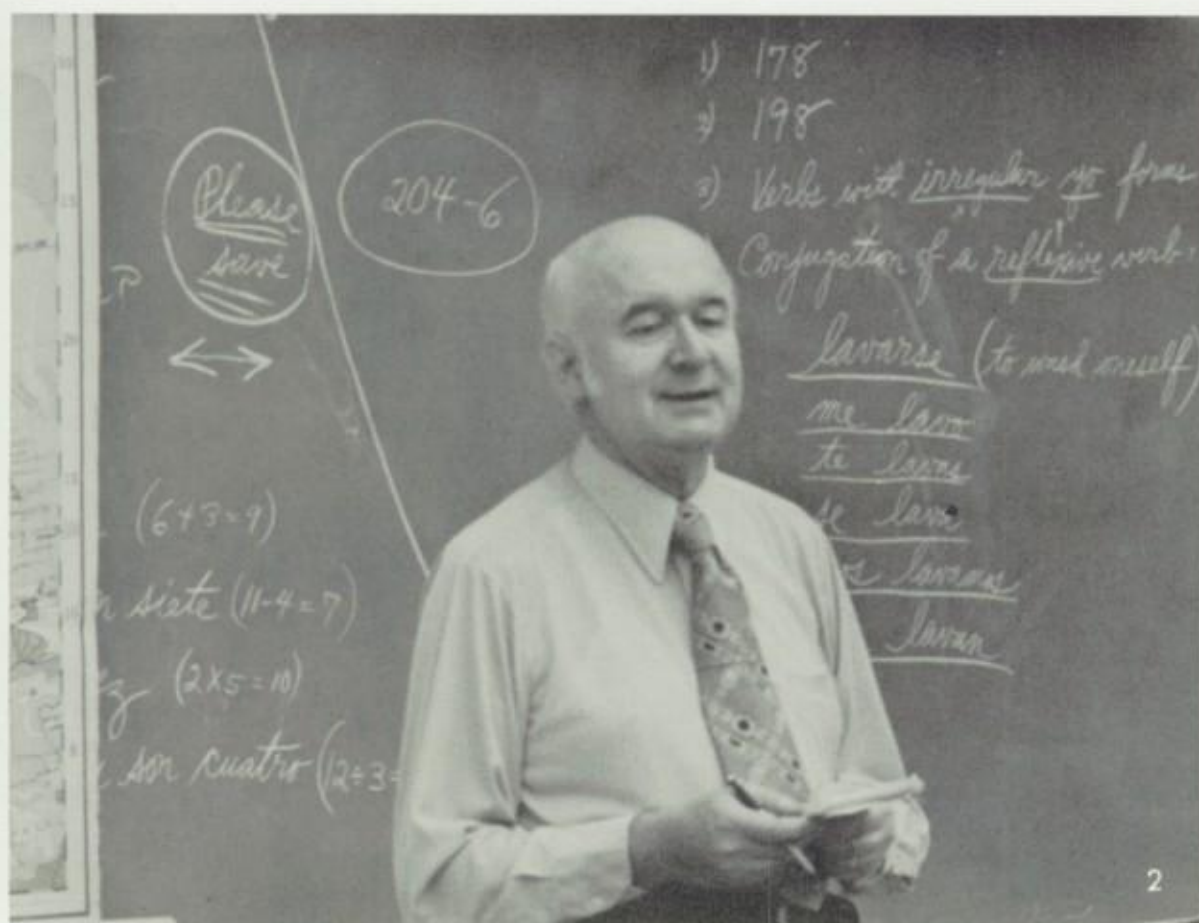

The Foreign Language Department stressed culture as well as verbal expression in its Spanish, German and French classes.

For example, cultural experiences took place where the students were able to taste different foreign foods. Also, several Spanish students were able to attend a camp where only Spanish was spoken. French students were able to attend a similar camp in the spring.

"Each teacher in the Business Department has a certain area they specialize in," explained Shashi Trikha, department head.

By these special traits, the students learned to use business in real-life situations. One class that proved this was the Clerical Services class, which enabled any teacher on campus to have typing or any other secretarial work done.

Fine Arts Dept. Induces Creativity

Creativity was the watchword of the Fine Arts Department during the 76-77 school year.

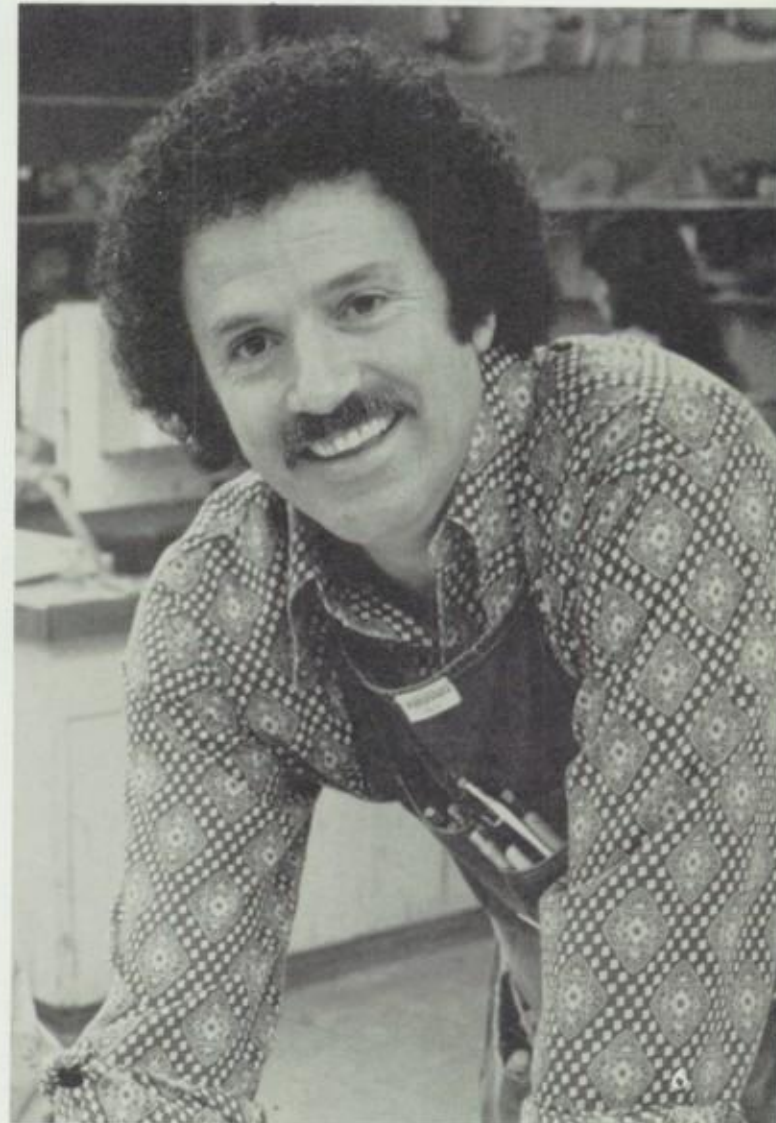

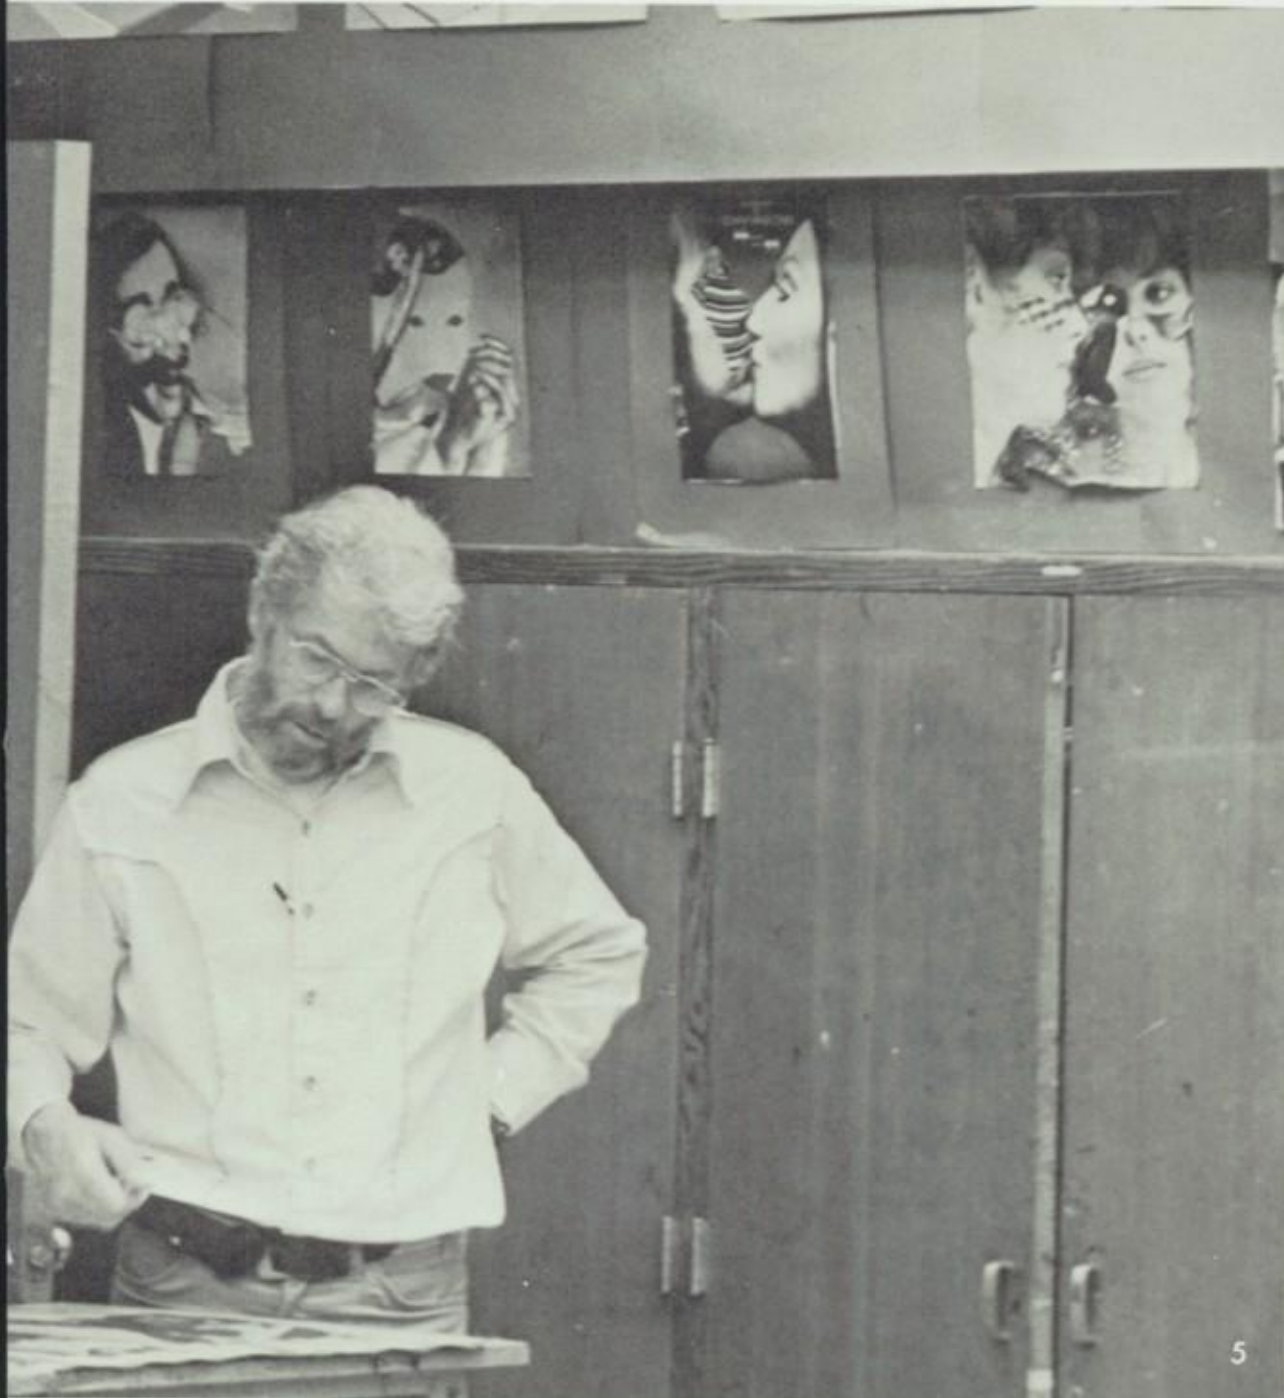

Vocal and instrumental classes provided music in all forms.

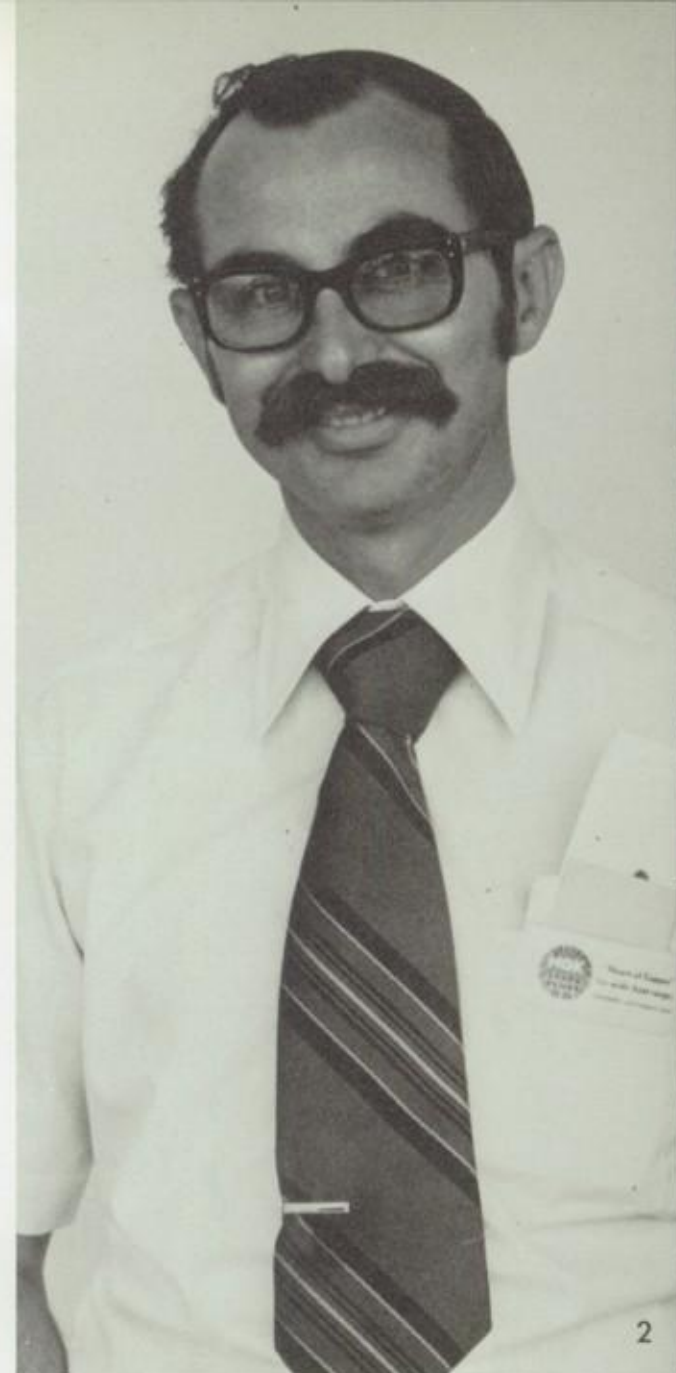

The Coyote Band members were at all the home games, providing half time shows full of music. They also attended all away games and performed in many parades. The Jazz Band proved to be very promising this year. In the future, the department is planning more jazz for the vocal department.

The choral groups were also seen singing at various programs and around the community.

The Drama classes put on two major productions and sponsored the Student-Faculty Variety Show, which as always was a big success.

The art classes, with regular painting and drawing, got into more three-dimensional art. The Arts and Crafts classes worked a lot with clay and paper maché.

1. Mr. William Strasberg smiles with approval at Metal shop student Rodney Higuera.
2. Electronics and Graphic Arts teacher John Van Wontterghem smiles at the end of a hectic day.

Students Show Their Versatility

Members of the many shop classes showed their versatility this year by working on a great variety of projects. Their activities ranged from building and repairing skateboards, water skis, and surfboards to making jewelry and poster graphics. Creativity and experience are all a part of working well with Plastics, Applied Crafts, Wood, Metal, Graphic Arts, Electronics, Auto and Drafting — the many facets which compose this vocationally-oriented department.

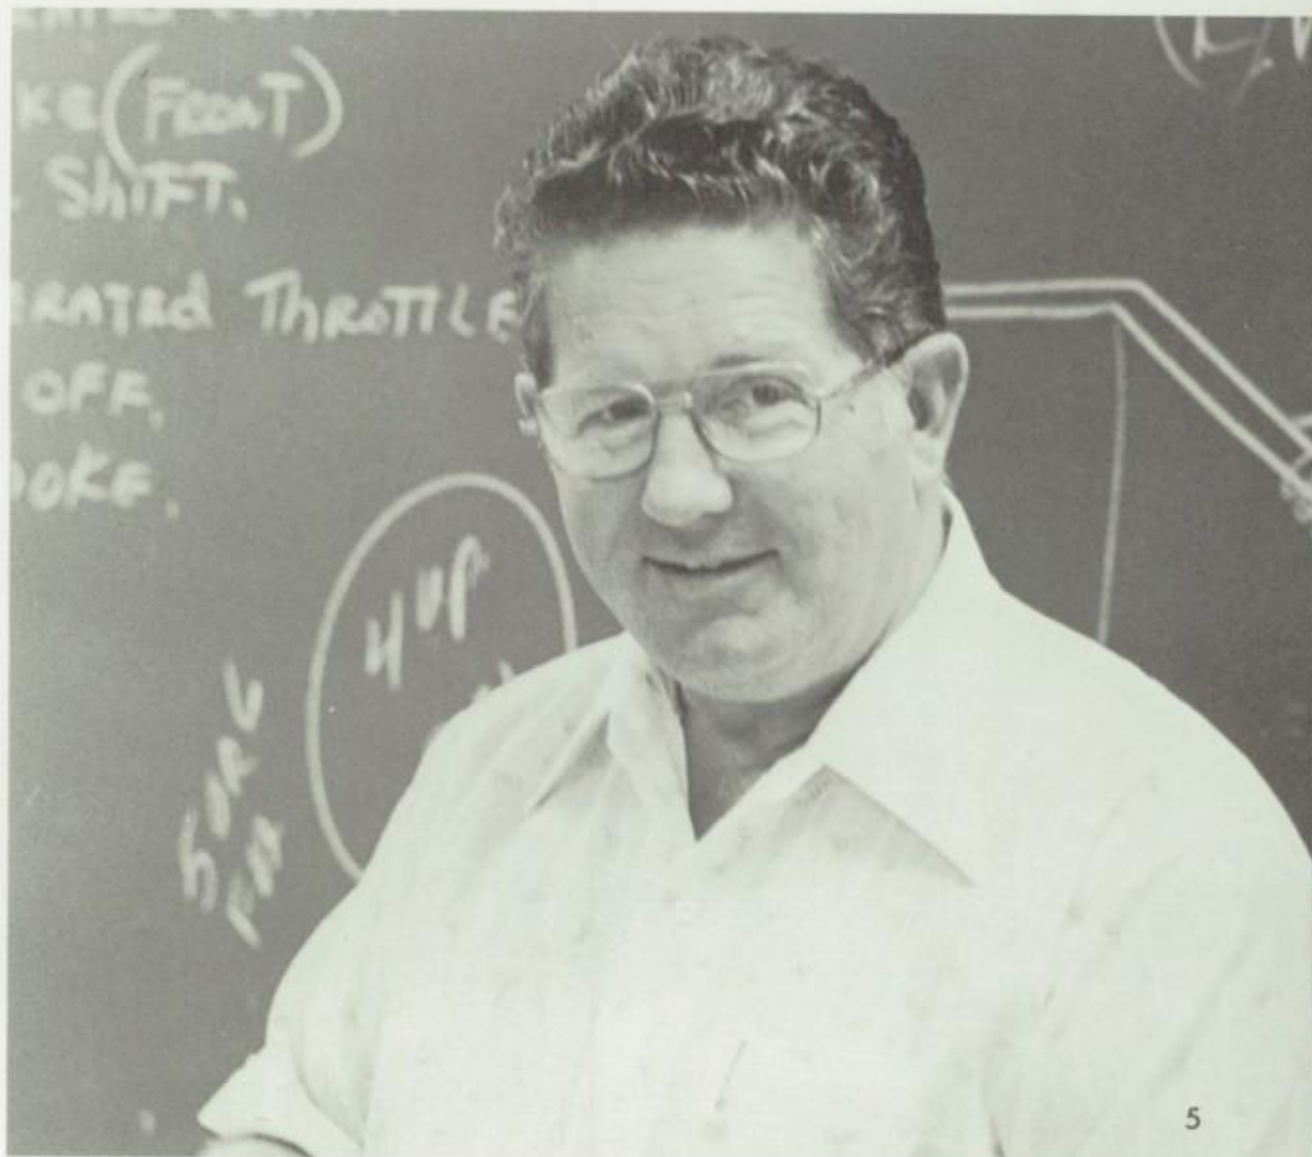

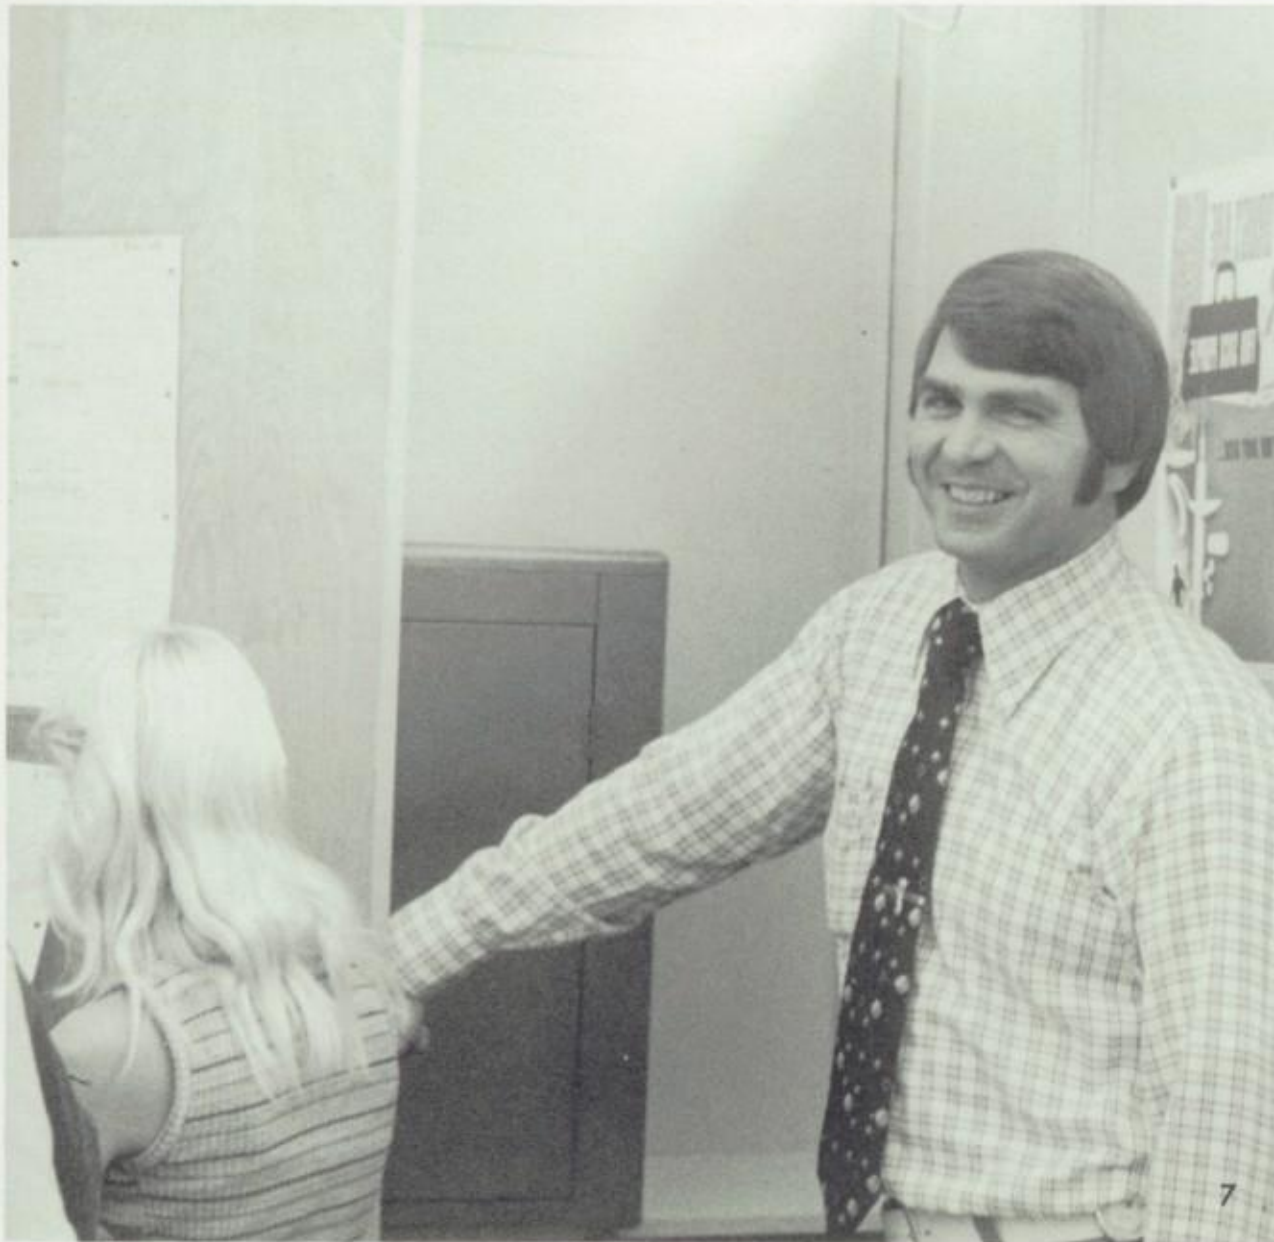

Courses Stress Learning, Doing

Driver Education classes were forced to cut down on expenses this year by hiring professional driver's training instructors to work with the students behind the wheel. This allowed the teachers to spend more time working with students in class. Economical cars such as Volkswagens were used to cut down on gas costs. Signs carried the words "Classroom on Wheels" rather than "Student Driver" this year.

Health Education classes studied many subjects this year, ranging from the effects of smoking, to air and water pollution. Guest speakers were often invited to discuss various topics with the students. The learning in these classes was especially meaningful because the open exchange of ideas allowed student and teacher to learn from each other.

An experience the Future Farmers of America members will not forget from the 1976-1977 school year was their participation in the Orange and Los Angeles County Fairs. Several BP students came out with 1st place awards for their animals. The Agriculture Department made a change for the better this year with the construction of a new farm.

P.E. Classes Improve, Expand

Many changes have been made in the P.E. Department this year. Since the Co-ed program was such a success, it has been improved and expanded.

This was the first year for off-campus and contract P.E. Students met off-campus for bowling at the Aztec Bowl, and golfing at the Big Tee.

With contract P.E., students were able to receive credit for out-of-class activities such as water skiing and back packing.

Students Plan Their Future

R.O.P. and Work Experience are two close-knit programs on campus.

R.O.P. deals with job training on location at stores such as Sears and Handyman.

Work Experience involves finding jobs in the community for students interested in learning by doing.

The purpose of these programs is to give young people a chance to explore beyond the classroom in real vocational settings.

Home Economics students are among the most fortunate on campus; they get to wear or eat the products of their labors.

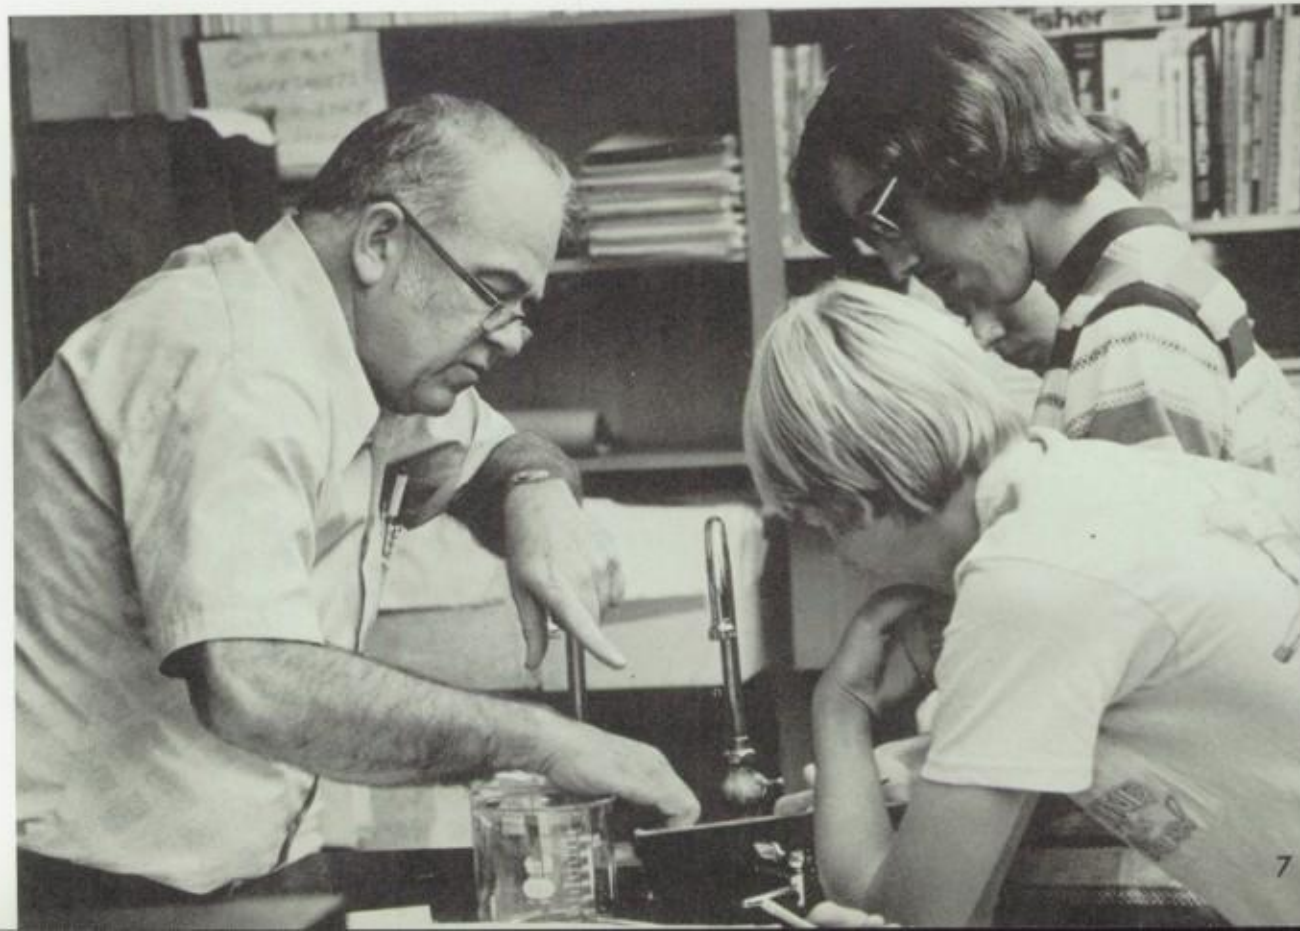

Under the expert direction of Mrs. Nancy Bryant, Mrs. Margaret Nelson, Mrs. Marietta McIntyre, and Mrs. Jan Newfield, Home Economics students learn the essentials for living in contemporary America.

Students Learn At Own Pace

Alternative School is a program available to Juniors and Seniors who are interested in studying and learning at their own pace. Students first report to class and then work on their own.

1976-77 was the second year for this innovative program, and everyone involved was convinced that it provided a much-needed service to BP students.

7. Mr. Albert Hammel explains a chemistry formula to inquisitive students Willie Koch and Bob Bell.

New Programs Expand Learning

Community Lab, an exciting concept which completed its second year in 1976-77, gave the students a chance to work in the community. The class requires the students to work a certain amount of hours in places such as grocery stores, elementary schools, and convalescent homes. It was a program for highly-motivated students interested in "learning by doing."

English As a Second Language is a program for students who come from foreign countries and wish to learn the English language and the American way of life. They learn by watching films, tapings of T.V. shows, and listening to cassette tape recordings of dialogues. They keep up on current events by reading newspapers and magazines. On holidays, each student brought a meal from his own culture and shared the traditions of his country with the rest of the class.

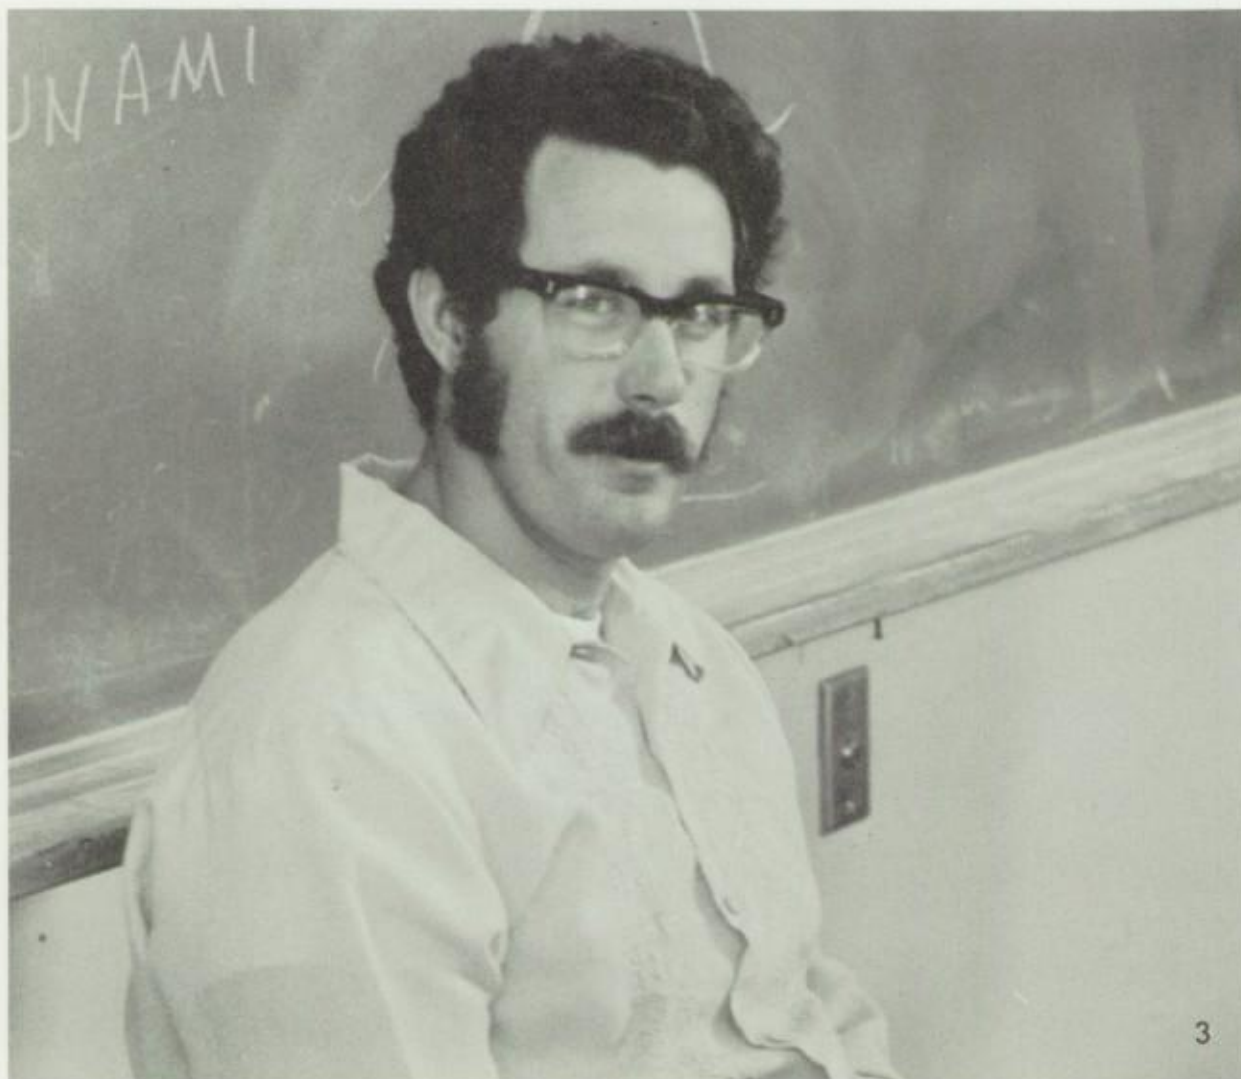

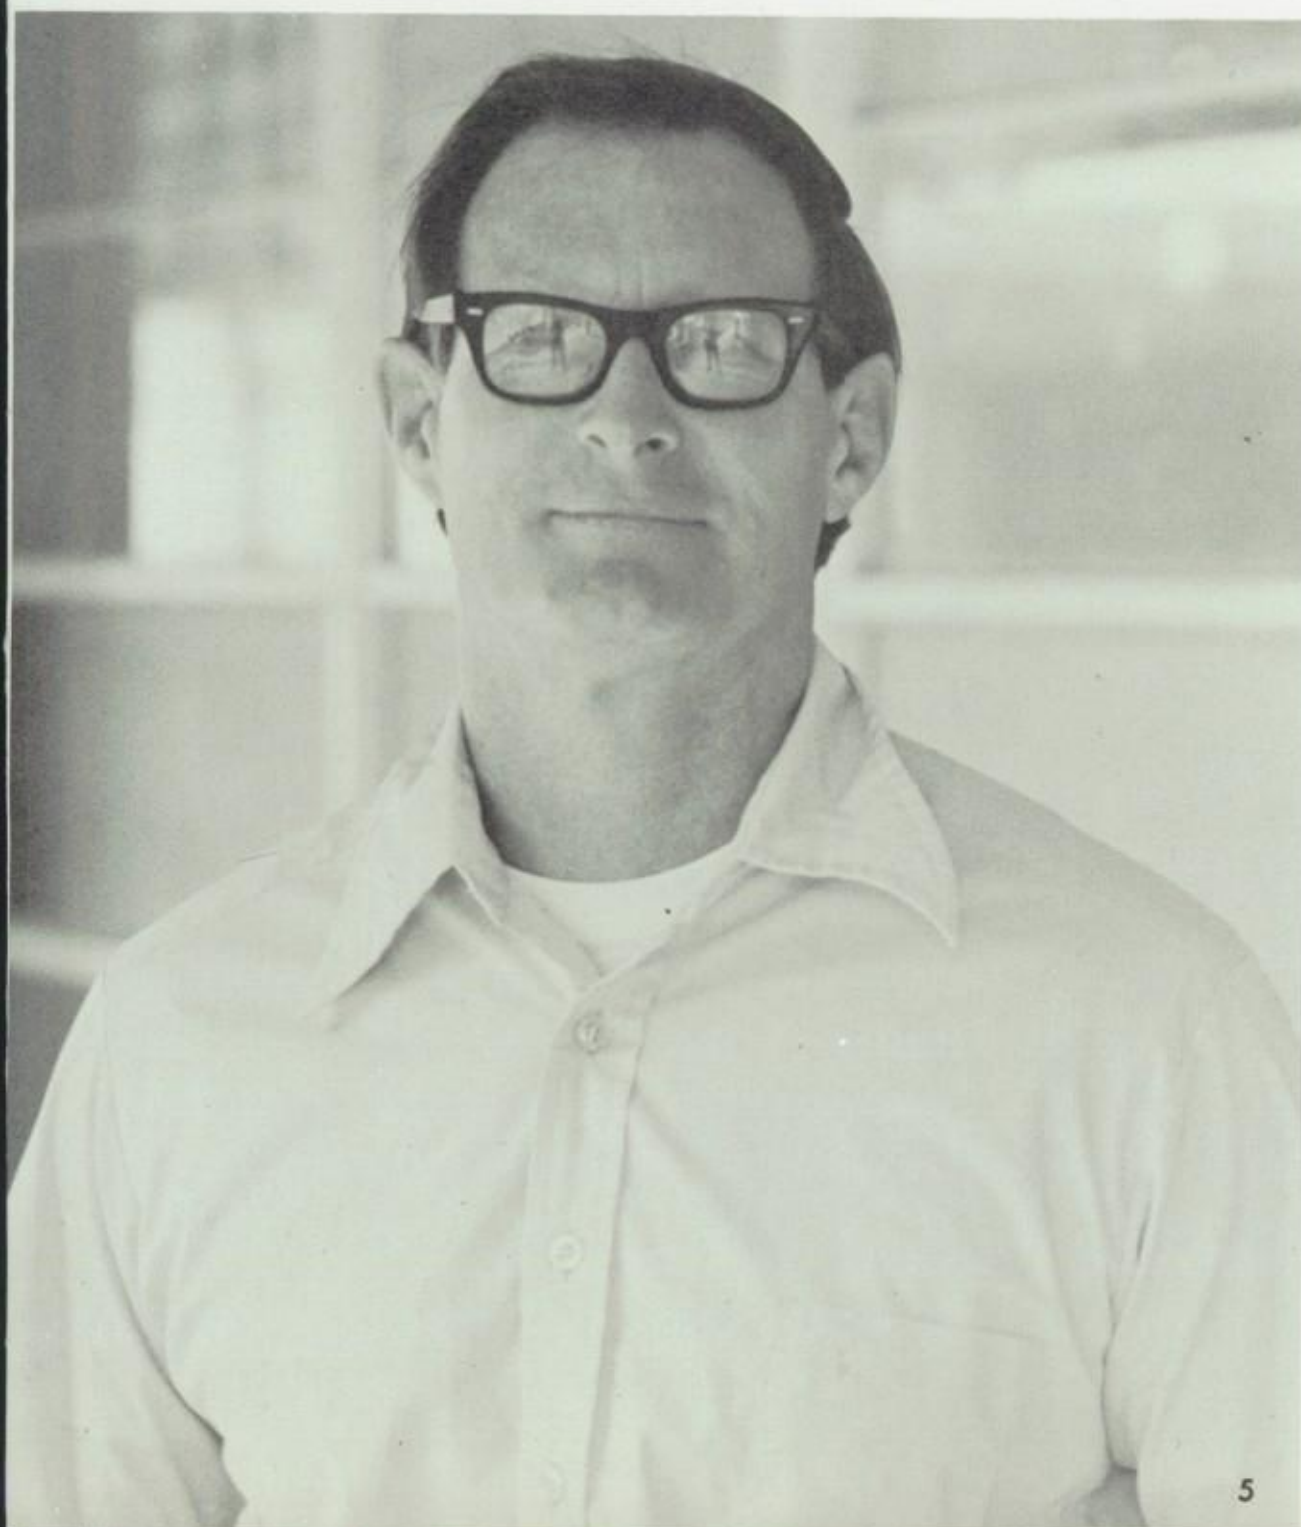

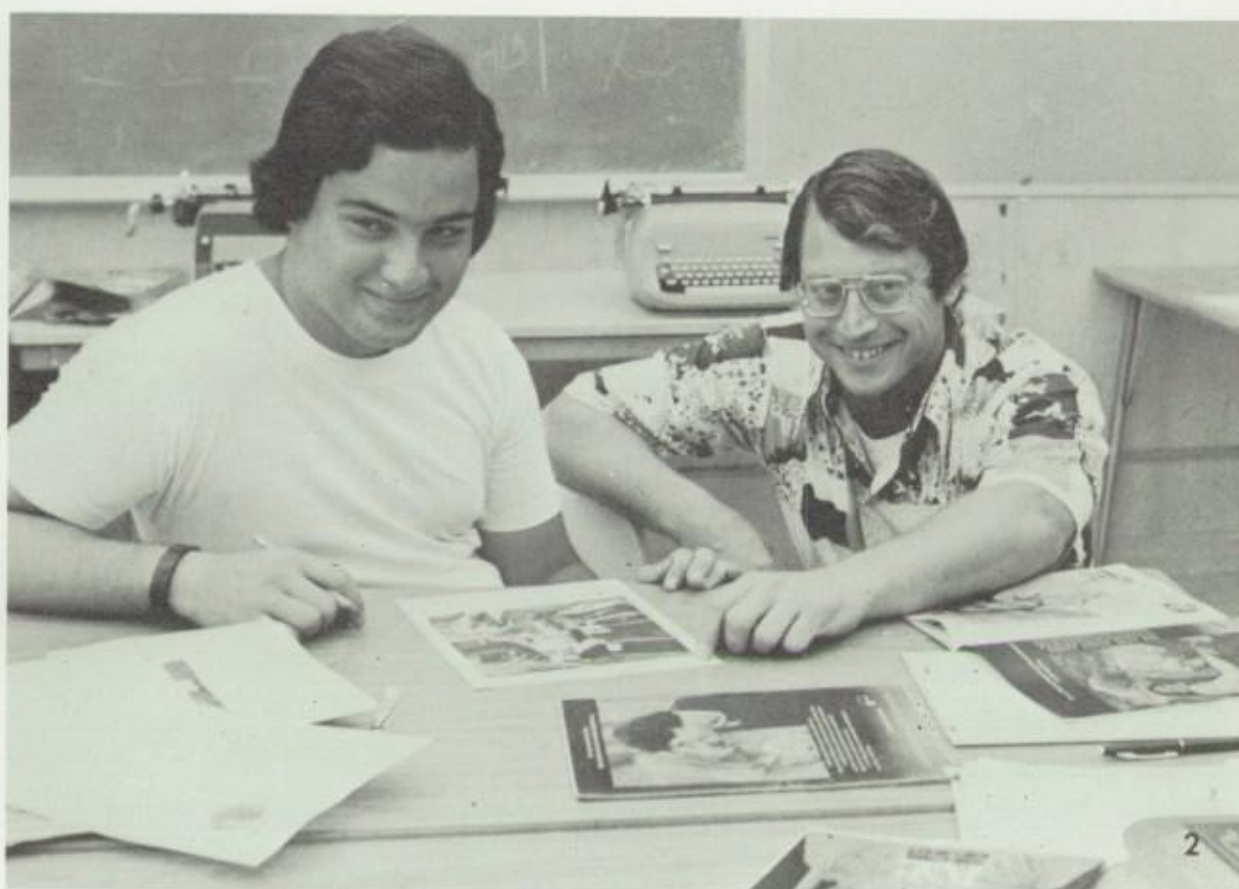

1. Mr. Ronald Calvisi looks at the files in Community Lab with Tony Cinco and Russ Robertson.
2. Mrs. Marietta McIntire poses for the camera.

Classes Accent Special Interests

In Special Education classes the work is individualized. Each student works at his own pace, and the grading is on a credit, no-credit basis. Social Studies, Reading and Math classes are the major courses offered. Special Education had some interesting activities this year. Mrs. Nancy Steudle took the students out on field trips to familiarize them with the community. They also had activities such as backpacking and biking.

Title I Offers New Approach

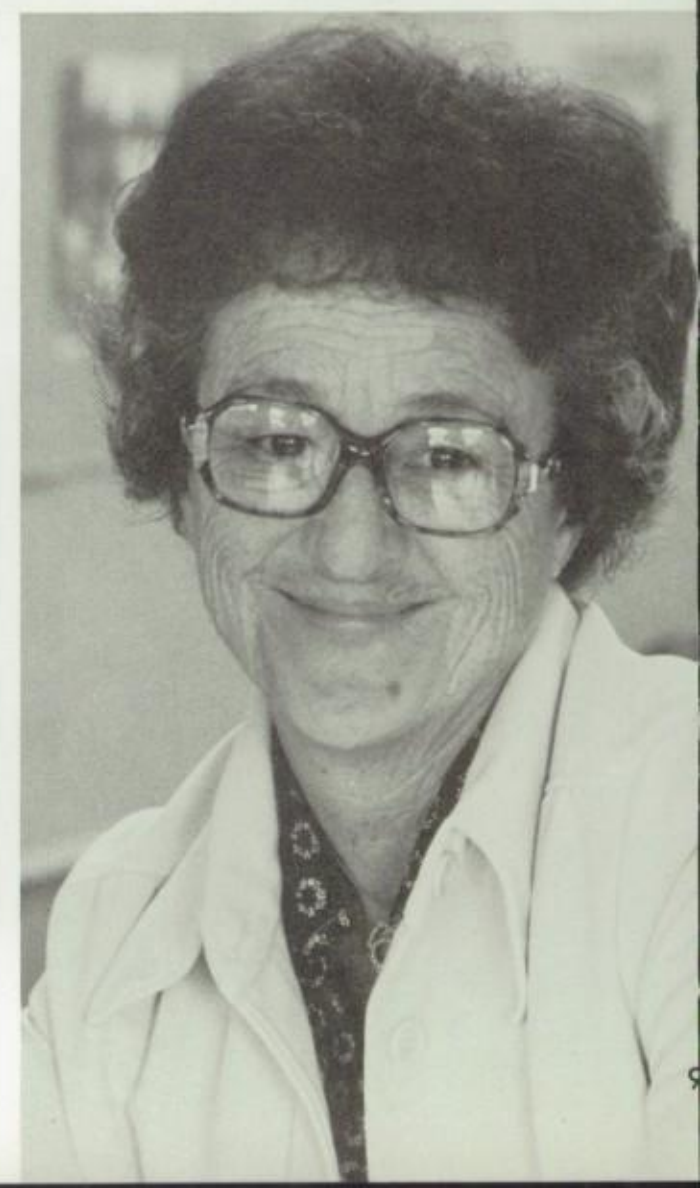

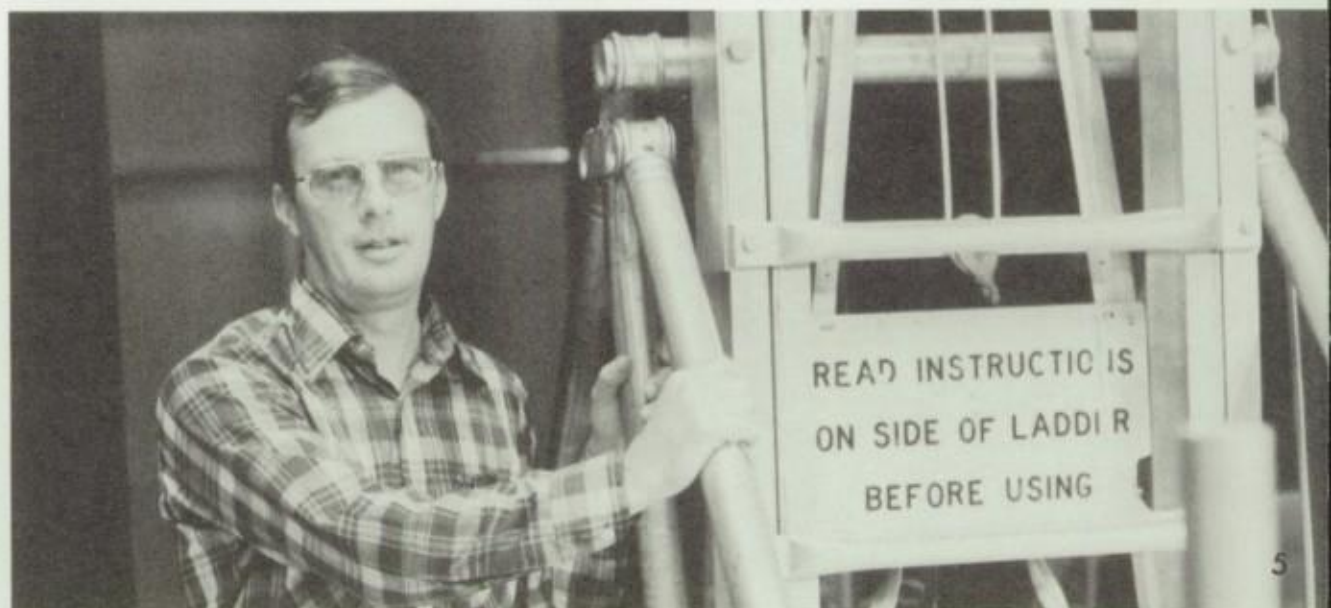

The Title I classes were especially designed to help students with learning difficulties. With the assistance of at least seven aides this year, Mr. James Book and Mr. Richard Bartulski worked diligently to improve each student's abilities in subjects ranging from Math and Science to Social Science and English.

Classified Staff Provides Aid

The Classified Personnel had many responsibilities which consisted of providing research materials for students to use in the library and bookstore, offering fresh foods for sale in the cafeteria, and even helping students find part-time work. Others are busy aiding students in subjects such as Business, English, and Special Education.

Without the help of these important members of the BPHS staff, the students and teachers would not be able to get through each school day. Their work is greatly appreciated.

Students Honored

This year, many BP students were rewarded for their outstanding efforts in various fields. Throughout the school year, scholarships, titles, certificates, trophies, and plaques were awarded to deserving students. These awards were given for such things as academic ability, athletic feats, good citizenship, leadership ability, special talents, and community involvement.

Some Seniors earned the distinction of receiving High Honors. These students maintained a 3.5 grade average throughout their four years of high school. High Honor students (in order) were Yvonne Barnas, Debbie Sue, Cathy Bannan, Cathy Brown, Salwa Saad, Lisa Johnson, Carol O'Connor, Venisa Ketenbrink, Michael Laurie, Dennis Snyder, Tom Mehrmann, Laura Oxenford, Nancy Altman, Duane Dubay, Ron Chavez, Cindy Timar, Mary Werner, Joseph Christina, Keith Alger, Kathy Larkin, Mary Birdwell, Vickie Fitzwater, Rick Seymour, Linda Stephens, and Kevin O'Bryan.

Advertisers Lend Support

The 1976-77 Los Coyotes Staff would like to extend warm thanks to all the businesses who placed ads in this section.

Before we could even begin work on our yearbook, these businesses gave us the cooperation and concern we needed to get started.

We hope the students will show their appreciation by patronizing them now and in the future.

With their help "Free to Be" is now a reality.

With the unlimited potential
each of us possesses,
the future holds the promise of greatness.

Phil,
I'm glad I got to
know you this year. I hope
you have a great summer.
Good luck in the future and in
everything you do.
Love,
Cindy
